RE: **COMPENSATION REPORT 2015-2016**

A compensation report is required each year by Public Act 097-0609. Public Act 097-0609 requires employers participating in the Illinois Municipal Retirement Fund to post the total compensation package for each employee having a total compensation package that exceeds \$75,000 per year. "Total compensation package" means payment by the employer to the employee for salary, health insurance, a housing allowance, a vehicle allowance, a clothing allowance, bonuses, loans, and granted vacation and sick days. This report also includes not only IMRF members but also all staff members who have a total compensation package of over \$75,000 per year. This report is available on our website at [www.mvse.org](http://www.mvse.org), under "About Us"/ "Business Services"/ and then "Compensation".
