4001 AVE LOS PRESIDENTES
LAREDO, TX 78046

Dear Maria R.:

Congratulations! I am happy to inform you that United South High School has been selected to receive a 2018 Lowe's Toolbox for Education grant in the amount of \$4000 for the Precious Panthers Reading/Vegetable Garden project from Lowe's Charitable and Educational Foundation (LCEF). We're thrilled to assist you and your community with your school improvement project.

We have enclosed your check and a link to several tips and customizable tools on the "Winner's Circle" section of the Toolbox for Education website: www.toolboxforeducation.com.

Please keep the following in mind as you begin your project:

- Toolbox for Education grants are reserved for approved school improvement projects that can be completed within one year of grant receipt date. If your scheduled completion date or your project plans change, please contact us in advance. LCEF grant dollars may only be used for the specific project described in the online grant application you submitted.
- We can't wait to hear about your progress and successes. Please forward copies of news clips or promotional materials related to your project; digital pictures of the projects are great and have the opportunity to be published in our Social Responsibility Report.
- Your local Lowe's store is here to help you make the most of your grant. If you don't see exactly what you need in stock, please feel free to speak with your store manager. They may be able to help you special-order materials and possibly save your organization money as you complete your project!

The mission of the LCEF is to improve the communities we serve, and we are committed to having a positive impact on the lives of our customers, neighbors and employees. To help us measure community impact, we request that you prepare a report, at the conclusion of your project, which evaluates your project's success and its effect on your school and community. Also, in approximately six months we will contact you to check the status of your project and to request your participation in a survey of the Toolbox Grant process.

Congratulations on your Lowe's Toolbox for Education grant. We applaud your dedication to improving the schools in your community. We wish you all the best as you implement your project.

Sincerely,

Colleen Penhall
Vice President, Corporate Social Responsibility

PS – If you have questions about program materials, promotion, reporting or other aspects of the Toolbox for Education grants, the staff at PTO Today are ready to help. Please feel free to contact them at info@toolboxforeducation.com or 800-644-3561 x210.

United Independent School District is a public school district and is a political subdivision of the State of Texas. The District is not a tax-exempt entity under the Internal Revenue Service (IRS) Code Section 501(c)(3). However, the District is considered a tax-exempt organization that may receive charitable contributions according to the IRS Code Section 170(c)(1).

The District may receive charitable contributions if they are for public purposes, such as benefiting a group and NOT an individual. Contributions may be made to the District, District schools, District departments, or various District groups and clubs. These charitable contributions are deductible by the contributor on their tax return. The federal identification number of United Independent School District is 746028859.

Please note, contributions made to various parent organizations, such as PTOs and Booster Clubs, are NOT contributions to the District. Since these organizations are separate entities from the District, the District's tax-exempt status does not apply to these organizations. These organizations must apply for their tax-exempt status under IRS Code Section 501(c)(3). Evidence of their tax-exempt status would be a Determination Letter from the IRS. When a PTO or Booster Club donates monetary or non-monetary items to the District, then the donation is considered a contribution to the District.
