2016-19 Pupil Transportation Bid

The administration reviewed the pupil transportation bid tabulation sheet along with the Intergovernmental Agreement with District 147. Six (6) vendors were eligible to bid and three (3) vendors submitted competitive bids. In collaboration with District 147 administration, due to statutory requirements, Illinois School Code (105 ILCS 5/10-20.21) outlines three (3) significant factors to consider when selecting the lowest responsible bidder. They are as follows:

1. safety and comfort of the students
2. stability of service
3. lowest price

ALLTOWN Bus Service, Inc. of HARVEY, Illinois, met all three significant factors and was selected as the lowest responsible bidder. In addition, their bid was \$170,000 less than the next bidder who only met one (1) of the three factors. Based on all the information, District 147 Board of Education awarded the bid to ALLTOWN Bus Service, Inc. of Harvey, Illinois, on February 1, 2016 at their regularly scheduled board meeting. However, Dr. McCaskill and Dr. Adams suggested for the Board of Education to interview two companies and then make a determination on which company to award the bid to.
