

**Community Education Department
Program Report
January 2015**

Happy New Year!!!!

- The Community Education Department is truly excited to begin a great New Year. We are in the process of starting our marketing BLITZ for the **AUGUST Back-To-School Parade and Fair**. We will be forming B2S committee that consist of 2 people of each school, along with community members to assist with creating the buzz that the parade date will be changing to Saturday, August 15, 2015. We are recruiting members for the committee meeting for **Friday, January 30th at 3:15pm.**
- The Community Education Department is gearing up for the 2nd Parent Community Council meeting on **Tuesday, January 27, 2015 at 3:00 pm.** The first meeting held on Tuesday, November 18, 2014 was well attended and a great success! We had parents and staff from our community talk about their needs and concerns for their family, our jobs and our lives. We started the meeting with “Our Penny Past” icebreaker. The program was a great success thanks to Board Member Betty Johnson as the visionary.

***Great things are on the horizon for Harvey Public Schools, District
152!!***
