BHA Graduation and Senior Banquet - 2024

This week's board report focuses on our 2024 Senior Graduates! We had 39 total grads, one of our biggest classes ever. We're extremely proud of them, and we're sure going to miss them all. This class was diverse and energetic. So many awesome and resilient people.

Our senior banquet is always a highlight. It's an opportunity to celebrate our seniors and all their accomplishments. As always, Brenda Bird takes it upon herself to prepare an immaculate meal for nearly 200 people as part of this event. This evening helps crystallize how lucky we feel at BHA to serve this role in our community. It's important for our students families to witness this celebration.....they deserve it all and more.
