

Terrell Independent School District

Executive Summary Report

Date	District Guiding Pillar	
December 15, 2025	Goal 1: Student Achievement: Accelerate student learning to dramatically increase the number of students who perform on or above grade level.	

Agenda Item: Consider Approval of the Terrell High School Robotics Competition Trip to Colorado

Summary:

Participation in this competition provides students with a valuable opportunity to apply engineering and technology skills in a real-world setting, collaborate with peers from across the nation, and advance Terrell ISD's commitment to STEM education and college, career, and military readiness.

The proposed date for this trip is February 1-4, 2026.

Purpose:

To seek approval for the Terrell High School Robotics Team to attend the AFCEA Pikes Peak Robotics Signature Event in Colorado Springs, Colorado.
