Subject: Resignation

To: Melissa Lijewski <mlijewski@nbas.org>

Good morning,

Please accept this letter as formal notification that I am resigning from my position as Restorative Paraprofessional. My last day of employment will be no later than February 20, 2026.

I want to express my deepest gratitude for the opportunity to have worked with this school community. During my time here, I have felt incredibly supported by the administration and my colleagues, and I am truly appreciative of the professional and personal guidance I've received.

This has been a difficult decision to make because of the profound impact my co-workers and students have had on me. The dedication of this team is inspiring, and the relationships I have built with my students are highlights of my career. I have learned so much from each of them, and I will miss them all dearly.

Over the next few weeks, I am fully committed to ensuring a smooth transition. Please let me know how I can best assist with handing over my current responsibilities or supporting a successor to ensure our students continue to receive the care they need.

Thank you again for the opportunity to be part of such a positive and impactful environment. I wish the school and the entire team nothing but the very best.

Samantha Niemeyer
