NOW, THEREFORE, BE IT RESOLVED THAT:

1. Issuance of Bonds. Bonds of the School District designated 2026 School Building and Site Bonds (Unlimited Tax General Obligation) (the “Bonds”), are hereby authorized to be issued in one or more series, with such changes to the bond name, designation or suffix as may be appropriate for each series based on the type of bonds issued, in the aggregate principal amount of not to exceed \$14,000,000, or such lesser amount as shall be determined by the Superintendent and the Assistant Superintendent of Business and Finance of the School District, or either one acting alone (each an “Authorized Officer”) upon sale of the Bonds, for the purpose of financing a portion of the costs of the Projects and paying the costs of issuing the Bonds.

2. Bond Details. The issue shall consist of bonds registered as to principal and interest of the denomination of \$5,000 or integral multiples thereof, be dated as of the date of delivery or such other date as shall be determined by an Authorized Officer at the time of sale of the Bonds and numbered as determined by the Transfer Agent (as defined below). The Bonds shall mature on May 1 and/or November 1 in the years and in the principal amounts as determined by an Authorized Officer at the time of sale, provided that the final maturity of the Bonds shall not be later than 20 years from the date of issuance. The principal of the Bonds shall be payable at a bank or trust company selected by an Authorized Officer, as registrar and transfer agent for the Bonds (the “Transfer Agent”) upon presentation and surrender of the appropriate Bond.

BOND RESOLUTION

Lake Orion Community Schools 2026 School Building and Site Bonds

The Bonds shall be sold at a price not less than 100% and not more than 120% of the principal amount thereof. The Bonds may be issued as serial or term bonds or both and shall be subject or not subject to redemption prior to maturity at the times and prices determined by an Authorized Officer at the time of sale and as provided in this Resolution, and if term bonds are designated by the original purchaser of the Bonds, then such Bonds will be subject to mandatory redemption in accordance with the maturity schedule as provided in the form of notice of sale provided in paragraph 7 hereof.

Interest on the Bonds shall be paid by check drawn on the Transfer Agent, mailed to the registered owner of the Bonds at the registered address, as shown on the registration books of the School District maintained by the Transfer Agent. Interest shall be payable to the registered owner of record as of the fifteenth day of the month prior to the payment date for each interest payment. The date of determination of registered owner for purposes of payment of interest as provided in this paragraph may be changed by the School District to conform to market practice in the future.

The Bonds may be issued in book-entry-only form through The Depository Trust Company in New York, New York.

The Bonds of any series may be issued as serial or term bonds or both and shall be subject to optional or mandatory redemption prior to maturity at the times, in the manner, in the amounts and at the prices determined by an Authorized Officer at the time of sale of the Bonds.

Unless waived by any registered owner of any Bonds to be redeemed, official notice of redemption shall be given by the Transfer Agent on behalf of the School District. Such notice shall be dated and shall contain at a minimum the following information: original issue date; maturity dates; interest rates; CUSIP numbers, if any; certificate numbers (and in the case of partial redemption) the called amounts of each certificate; the redemption date; the redemption price; the place where Bonds called for redemption are to be surrendered for payment; and that interest on Bonds or portions thereof called for redemption shall cease to accrue from and after the redemption date.

In addition, further notice shall be given by the Transfer Agent in such manner as may be required or suggested by regulations or market practice at the applicable time, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed herein.

3. Bond Form and Execution of Bonds. The Bonds shall be in substantially the form attached hereto as Exhibit A with such changes as are authorized by the terms of this Resolution or necessary to complete the provisions hereof. The Bonds shall be signed by the manual or facsimile signatures of the President and Secretary of the Board. No Bonds shall be valid until authenticated by an authorized representative of the Transfer Agent. The Bonds shall be delivered to the Transfer Agent for authentication and be delivered by it to the purchaser in accordance with instructions from the Treasurer of the Board upon payment of the purchase price for the Bonds. Executed blank bonds for registration and issuance to transferees shall simultaneously, and from time to time thereafter as necessary, be delivered to the Transfer Agent for safekeeping.

4. Debt Retirement Fund. Unless the School District establishes a Common Debt Retirement Fund as provided by law for all issues of bonds of like character of the School District, the Treasurer shall open a special depository account for the Bonds with a bank to be designated as 2026 School Building and Site Bonds Debt Retirement Fund (the “Debt Retirement Fund”). All proceeds from taxes levied for the payment of the principal of, interest on and redemption premium, if any, for the Bonds shall be deposited into the Debt Retirement Fund or the Common Debt Retirement Fund, if one is established. Once the Debt Retirement Fund is established, the moneys deposited in such fund shall be used solely for the purpose of paying the principal of, interest on and redemption premium, if any, for the Bonds. If the School District establishes a Common Debt Retirement Fund, the moneys deposited in that fund shall be used solely for the payment of the principal of and interest on the Bonds and other bonds of like character of the School District payable from the Common Debt Retirement Fund. The accrued interest, if any, received upon delivery of the Bonds shall also be deposited in the appropriate debt retirement fund. Any net original issue premium received on sale and delivery of the Bonds shall be deposited in the appropriate fund consistent with State and federal law, and if required by federal tax law, may be used to reduce the principal amount of the Bonds issued. Taxes required to be levied to meet the principal and interest obligations and redemption premiums, if any, may be without limitation as to rate or amount, as provided by Article IX, Section 6 and Article IX, Section 16 of the Michigan Constitution of 1963.

5. Capital Projects Fund. There shall be established by the Treasurer a special depository account, designated the 2026 School Building and Site Bonds Capital Projects Fund (the “Capital Projects Fund”). The amounts specified by an Authorized Officer at the time of sale of the Bonds from the net proceeds of sale of the Bonds and from any net original issue premium shall be deposited to the Capital Projects Fund to be used solely and only to pay for the costs of the Projects, capitalized interest, if any, and the costs of issuance of the Bonds. Except for investment pending disbursement and as herein provided, the moneys in the Capital Projects Fund shall be used solely to pay the costs of the Projects and the costs of issuance of the Bonds as such costs become due and payable and, as may be necessary, to rebate arbitrage earnings, if any, to the United States Department of Treasury as required by the Internal Revenue Code of 1986, as amended (the “Code”). Any net original issue premium received on sale and delivery of the Bonds shall be deposited in the appropriate fund consistent with State and federal law, and, consistent with federal tax law, may be used to pay capitalized interest on the Bonds or may be used to reduce the principal amount of the Bonds issued. Such net original issue premium received, if any, shall be counted against the 2018 Bond Proposal authorization. Moneys remaining in the Capital Projects Fund after completion of the Projects and payment of the costs of issuance of the Bonds and payment of capitalized interest, if any, may be used first for any purpose permitted by the 2018 Bond Proposal, and second for any other purpose permitted by law, than shall be transferred to the Debt Retirement Fund.

6. Unlimited Tax. Commencing with the fiscal year beginning July 1, 2026, it shall be the duty of the School District to levy a tax annually in an amount sufficient so that the estimated collections therefrom will be sufficient to pay promptly when due the principal of and interest becoming due on the Bonds, which tax levies shall not be subject to limitation as to rate or amount.

7. Notice of Sale. Each Authorized Officer may, without further approval or direction from the Board, execute a sale order approving the sale of the Bonds and evidencing the final terms of the Bonds. Each Authorized Officer may make any of the determinations, covenants and elections authorized by this Resolution, provided that the final terms of the Bonds shall be within the parameters set forth in this Resolution.

depository for the bonds. Purchase of the bonds will be made in book-entry-only form, in the denomination of \$5,000 or any multiple thereof. Purchasers will not receive certificates representing their interest in bonds purchased. It will be the responsibility of the purchaser to obtain DTC eligibility. Failure of the purchaser to obtain DTC eligibility shall not constitute cause for a failure or refusal by the purchaser to accept delivery of and pay for the bonds.

TRANSFER AGENT AND REGISTRATION: Principal shall be payable at the principal corporate trust office of [_____], _____, Michigan, or such other transfer agent as the School District may hereafter designate by notice mailed to the registered owner of record not less than 60 days prior to an interest payment date. Interest shall be paid by check mailed to the registered owner of record as shown on the registration books of the School District as of the 15th day prior to an interest payment date. The bonds will be transferred only upon the registration books of the School District kept by the transfer agent.

PURPOSE AND SECURITY: The bonds are authorized for the purpose of paying the cost of making certain capital improvements for the School District. The bonds will be a full faith and credit unlimited tax general obligation of the School District. The principal of and interest on the Bonds are payable from the proceeds of ad valorem taxes levied on all taxable property in the School District which may be levied without limitation as to rate or amount. The rights or remedies of bondholders may be affected by bankruptcy, insolvency, fraudulent conveyance or other laws affecting creditors' rights generally now existing or hereafter enacted, and by the application of general principles of equity, including those relating to equitable subordination.

STATE QUALIFICATION. The Bonds are expected to be fully qualified pursuant to Act 92, Public Acts of Michigan, 2005, as amended, enacted pursuant to Article IX, Section 16 of the Michigan Constitution of 1963. Under the terms of such constitutional and statutory provisions, if for any reason the School District will be or is unable to pay the principal and interest on the Bonds when due, then the School District shall borrow, and the State of Michigan shall lend to it, an amount sufficient to enable the School District to make such principal and interest payments.

NO GOOD FAITH DEPOSIT. A good faith deposit is not required.

AWARD OF BONDS-TRUE INTEREST COST: The bonds will be awarded to the bidder whose bid produces the lowest true interest cost determined in the following manner: the lowest true interest cost will be the single interest rate (compounded on November 1, 2026 and semiannually thereafter) necessary to discount the debt service payments from their respective payment date to _____, 2026 (anticipated delivery date), in an amount equal to the price bid, excluding accrued interest, if any. Each bidder shall state in its bid the true interest cost to the School District, computed in the manner specified above.

LEGAL OPINION: Bids shall be conditioned upon the approving opinion of Miller, Canfield, Paddock and Stone, P.L.C., attorneys of Detroit, Michigan, a copy of which opinion will be furnished without expense to the purchaser of the bonds at the delivery thereof. The fees of Miller, Canfield, Paddock and Stone, P.L.C. for services rendered in connection with such approving opinion are expected to be paid from bond proceeds. Except to the extent necessary to issue its approving opinion as to validity of the above bonds, Miller, Canfield, Paddock and Stone, P.L.C.

has not been requested to examine or review and has not examined or reviewed any financial documents, statements or materials that have been or may be furnished in connection with the authorization, issuance or marketing of the bonds, and accordingly will not express any opinion with respect to the accuracy or completeness of any such financial documents, statements or materials. In submitting a bid for the bonds, the bidder agrees to the representation of the School District by Miller, Canfield, Paddock and Stone, P.L.C., as bond counsel.

TAX MATTERS: In the opinion of Miller, Canfield, Paddock and Stone, P.L.C., bond counsel, under existing law, assuming compliance with certain covenants, interest on the bonds is excludable from gross income for federal income tax purposes as described in the opinion, and the bonds and interest thereon are exempt from all taxation by the State of Michigan or any taxing authority within the State of Michigan except estate taxes and taxes on gains realized from the sale, payment or other disposition thereof.

ISSUE PRICE: The winning bidder shall assist the School District in establishing the issue price of the bonds and shall execute and deliver to the School District at closing an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached either as Appendix __-1 or Appendix __-2 of the preliminary official statement, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the School District and Bond Counsel.

The School District intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the bonds) will apply to the initial sale of the bonds (the “Competitive Sale Requirements”) because:

- a. the School District is disseminating this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- b. all bidders shall have an equal opportunity to bid;
- c. the School District anticipates receiving bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- d. the School District anticipates awarding the sale of the bonds to the bidder who submits a firm offer to purchase the bonds at the lowest true interest cost, as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the bonds, as specified in the bid.

In the event that all of the Competitive Sale Requirements are not satisfied, the School District shall so advise the winning bidder. The School District will not require bidders to comply with the “hold-the-offering price rule” (as described below), and therefore does not intend to use the initial offering price to the public as of the sale date of any maturity of the bonds as the issue price of that maturity, though the winning bidder, in consultation with the School District, may elect to apply the “hold-the-offering price rule” (as described below). Bids will not be subject to

BOND RESOLUTION

cancellation in the event the Competitive Sale Requirements are not satisfied. Unless a bidder intends to apply the “hold-the-offering price rule” (as described below), bidders should prepare their bids on the assumption that all of the maturities of the bonds will be subject to the 10% Test (as described below). The winning bidder must notify the School District of its intention to apply either the “hold-the-offering price rule” or the 10% Test at or prior to the time the bonds are awarded.

If the winning bidder does not request that the “hold-the-offering price rule” apply to determine the issue price of the bonds, the following two paragraphs shall apply:

- a. The School District shall treat the first price at which 10% of a maturity of the bonds (the “10% Test”) is sold to the public as the issue price of that maturity, applied on a maturity-by-maturity basis. The winning bidder shall advise the School District if any maturity of the Bonds satisfies the 10% Test as of the date and time of the award of the bonds; and
- b. Until the 10% Test has been satisfied as to each maturity of the bonds, the winning bidder agrees to promptly report to the School District the prices at which the unsold bonds of that maturity have been sold to the public. That reporting obligation shall continue, whether or not the closing date has occurred, until either (i) all bonds of that maturity have been sold or (ii) the 10% Test has been satisfied as to the bonds of that maturity, provided that, the winning bidder’s reporting obligation after the closing date may be at reasonable periodic intervals or otherwise upon request of the School District or bond counsel.

If the winning bidder does request that the “hold-the-offering price rule” apply to determine the issue price of the bonds, then the following three paragraphs shall apply:

- a. The winning bidder, in consultation with the School District, may determine to treat (i) pursuant to the 10% Test, the first price at which 10% of a maturity of the bonds is sold to the public as the issue price of that maturity and/or (ii) the initial offering price to the public as of the sale date of any maturity of the bonds as the issue price of that maturity (the “hold-the-offering price rule”), in each case applied on a maturity-by-maturity basis. The winning bidder shall advise the School District if any maturity of the bonds satisfies the 10% Test as of the date and time of the award of the bonds. The winning bidder shall promptly advise the School District, at or before the time of award of the bonds, which maturities of the bonds shall be subject to the 10% Test or shall be subject to the hold-the-offering price rule or both.
- b. By submitting a bid, the winning bidder shall (i) confirm that the underwriters have offered or will offer the bonds to the public on or before the date of the award at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder, and (ii) if the hold-the-offering-price rule applies, agree, on behalf of the underwriters participating in the purchase of the bonds, that the underwriters will neither offer nor sell unsold bonds of any maturity to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the

public during the period starting on the sale date and ending on the earlier of the following:

- i. the close of the fifth (5th) business day after the sale date; or
- ii. the date on which the underwriters have sold at least 10% of that maturity of the bonds to the public at a price that is no higher than the initial offering price to the public;

The winning bidder shall promptly advise the School District when the underwriters have sold 10% of that maturity of the bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

- c. The School District acknowledges that, in making the representation set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the requirements for establishing issue price of the bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the bonds, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the bonds, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter or dealer who is a member of the selling group is a party to a third-party distribution agreement that was employed in connection with the initial sale of the bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the bonds, as set forth in the third-party distribution agreement and the related pricing wires. The School District further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the requirements for establishing issue price of the bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the bonds, and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement to comply with its corresponding agreement to comply with the requirements for establishing issue price of the bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the bonds.

By submitting a bid, each bidder confirms that:

- a. any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the bidder is a party) relating to the initial

sale of the bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable, (A)(i) to report the prices at which it sells to the public the unsold bonds of each maturity allocated to it, whether or not the closing date has occurred, until either all bonds of that maturity allocated to it have been sold or it is notified by the winning bidder that the 10% Test has been satisfied as to the bonds of that maturity, provided that, the reporting obligation after the closing date may be at reasonable periodic intervals or otherwise upon request of the winning bidder, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the winning bidder and as set forth in the related pricing wires, (B) to promptly notify the winning bidder of any sales of bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the bonds to the public (each such term being used as defined below), and (C) to acknowledge that, unless otherwise advised by the underwriter, dealer or broker-dealer, the winning bidder shall assume that each order submitted by the underwriter, dealer or broker-dealer is a sale to the public.

- b. any agreement among underwriters or selling group agreement relating to the initial sale of the bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter or dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (i) report the prices at which it sells to the public the unsold bonds of each maturity allocated to it, whether or not the closing date has occurred, until either all bonds of that maturity allocated to it have been sold or it is notified by the winning bidder or such underwriter that the 10% Test has been satisfied as to the bonds of that maturity, provided that, the reporting obligation after the closing date may be at reasonable periodic intervals or otherwise upon request of the winning bidder or such underwriter, and (ii) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the winning bidder or the underwriter and as set forth in the related pricing wires.
- c. sales of any bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale.

Further, for purposes of this Notice of Sale:

- a. “public” means any person other than an underwriter or a related party,
- b. “underwriter” means (A) any person that agrees pursuant to a written contract with the School District (or with the lead Underwriter to form an underwriting syndicate) to participate in the initial sale of the bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the bonds to the public (including a member of a selling group or a party to a third-party distribution agreement

participating in the initial sale of the bonds to the public);

- c. a purchaser of any of the bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other); and
- d. “sale date” means the date that the bonds are awarded by the School District to the winning bidder.

DELIVERY OF BONDS: The School District will furnish bonds ready for execution at its expense. Bonds will be delivered without expense to the purchaser through DTC in New York, New York, or such other place to be agreed upon. The usual closing documents, including a certificate that no litigation is pending affecting the issuance of the bonds, will be delivered at the time of delivery of the bonds. If the bonds are not tendered for delivery by Noon, prevailing Eastern Time, on the 45th day following the date of sale, or the first business day thereafter if said 45th day is not a business day, the successful bidder may on that day, or any time thereafter until delivery of the bonds, withdraw its proposal by serving notice of cancellation, in writing, on the undersigned. Payment for the bonds shall be made in immediately available funds.

CONTINUING DISCLOSURE: As described in greater detail in the Official Statement, the School District will agree to provide or cause to be provided, in accordance with the requirements of Rule 15c2-12, as may be amended, promulgated by the Securities and Exchange Commission, (i) on or prior to the last day of the sixth month following the end of the fiscal year of the School District, commencing with the fiscal year ending June 30, 2026, certain annual financial information and operating data or data of substantially the same nature, including audited financial statements for the preceding fiscal year, (or if audited financial statements are not available, unaudited financial statements) generally consistent with the information contained or cross-referenced in the Official Statement relating to the bonds, (ii) timely notice of the occurrence of certain material events with respect to the bonds and (iii) timely notice of a failure by the School District to provide the required annual financial information on or before the date specified in (i) above.

BOND INSURANCE AT PURCHASER’S OPTION: If the Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of the bidder/purchaser, the purchase of any such insurance policy or the issuance of any such commitment shall be at the sole option and expense of the purchaser of the Bonds. Any increased costs of issuance of the bonds resulting from such purchase of insurance shall be paid by the purchaser, except that, if the School District has requested and received a rating on the bonds from a rating agency, the School District will pay the fee for the requested rating. Any other rating agency fees shall be the

responsibility of the purchaser. FAILURE OF THE MUNICIPAL BOND INSURER TO ISSUE THE POLICY AFTER THE BONDS HAVE BEEN AWARDED TO THE PURCHASER SHALL NOT CONSTITUTE CAUSE FOR FAILURE OR REFUSAL BY THE PURCHASER TO ACCEPT DELIVERY OF THE BONDS FROM THE SCHOOL DISTRICT.

CUSIP NUMBERS: It is anticipated that CUSIP identification numbers will be printed on the bonds, but neither the failure to print such numbers on any bonds nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds. Application for CUSIP identification numbers will be made by PFM Financial Advisors LLC, financial advisor to the School District. All expenses in relation to the printing of CUSIP numbers on the bonds shall be paid for by the Issuer; provided, however, that the CUSIP Service Bureau charge for the assignment of such numbers shall be the responsibility of and shall be paid for by the purchaser.

A notice of the change in accounting principles shall be sent to the MSRB through EMMA.

IN WITNESS WHEREOF, the School District has caused this Undertaking to be executed by its authorized officer.
