**Purpose:** The District needed to update our current policy 832.1 Possession, Distribution and Use of Cigarettes and Other Tobacco Products to include electronic cigarettes. The policy committee decided to recommend the WASB template for the revised policy. The committee will continue with the current guideline except for a name change to 831 Guideline Tobacco Free Schools.

**Background:** WASB recommended that District's revise current tobacco policy to include electronic cigarettes. Our current policy was approved on January 13, 2009. The policy number has been changed to correspond to WASB coding recommendations.
