Principal's General Narrative:

June was a good month at Brackett Secondary School with the end of the year wrapping up. Graduation was an awesome ceremony that the students, families, and community were able to enjoy. This summer has been busy with reviewing and updating the handbook, student code of conduct, and working on an extracurricular handbook. Several interviews have been going on so that we can fill all of our positions. We had summer school going on for some of our junior high students, as well as reviews for the STAAR and EOC retakes that are going on. We will continue to work on our master schedule for the Secondary school by building it and putting students in the class throughout the upcoming months. I will also continue to work on our staff development plans for the first of the year as well as reviewing our safety plans.

Daron Worrell  
Secondary Principal
