

Venus Independent School District
Board of Trustees

Date of Meeting: August 17, 2026

Agenda Item: Consider Approval of Venus ISD's Student Information System (Skyward)

Agenda Section: Consent

Administrator Responsible: Lanston Thompson
Chief Financial Officer

Summary/Background Information: This service agreement with Skyward provides the district with its student information system, supporting student records, enrollment, scheduling, attendance, grading, other essential student data management functions and district support for managing student data. The total contract cost of \$26,303 is budgeted and will be paid from General Fund resources.

Administrative Recommendations: Administration recommends approving the Skyward student information system purchase.
