

# Plaza Pool Mural

Mural to be painted by  
Justin “Nether” Nethercutt

# Meet muralist Justin “Nether” Nethercut

Nether’s works can be found in Baltimore, Maryland and many US cities, also internationally in London, Paris, Berlin, and Montreal. He is the grandson of local residents, Gordon and Vernie Nethercut.

# “Nether” is a native Baltimorean street artist and mural painter

Nether's work is a social documentation of the struggles, dreams, history and dilemmas that our cities and subcultures face. His outdoor work are site-specific and focused to the locale. Pieces are generally designed in conceptual collaboration with stakeholders, to bring out the city's cultural pride, and capture the poetic chaos that defines local areas.

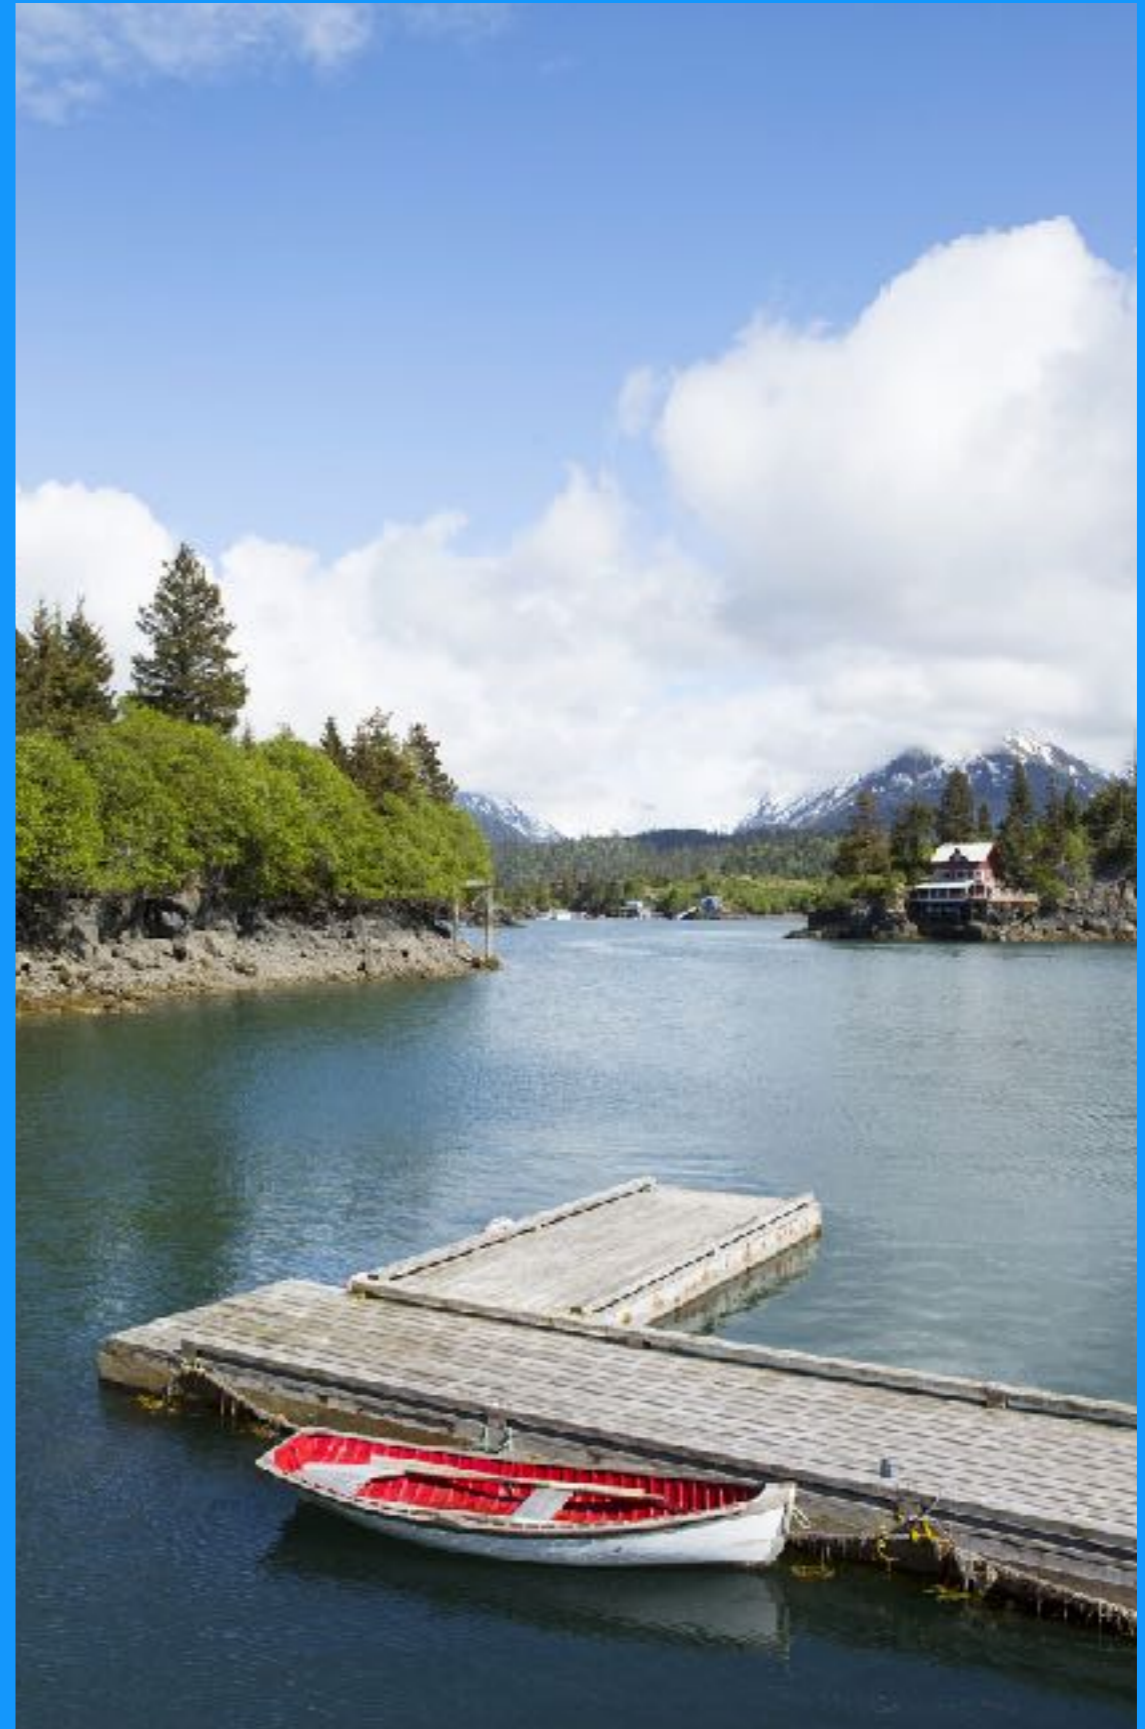

So Let's Make  
a Community  
Project for  
Plaza Pool!

# What does a Mural Project Entail?

- Create a Team
- Work with Artist
- Engage community
- Fund Raise
- Get Approvals
- Implement

- Establish Project Team
- Work with Artist
- Receive approval from County
- Establish Time-Line
- Engage community in design
- Budget and Fund Raise
  - Design fee \$300.
  - Cost relative to size and approach. Maybe \$5K - 10K
- Get Approvals
  - county
  - others?
- Implement
  - assist with prep work
  - assist with acquiring materials
  - artist requests
- Community Celebration of Completion

# Possible Timing

Justin can work with us now. He is currently available in the fall to paint the mural. Otherwise, we are talking about painting the mural in 2022.

# Shall We Move Forward?

- What skills and contacts do we need on the committee?
- Who wants to be on the committee?

To Help move from this  
blank wall to  
a beautiful mural wall,  
contact
