Topic: School Board Procedures
Contact(s):
Presenter(s): Karsten Anderson, Superintendent

Nature of Action Requested

Committee Recommendation
Committee Information or Report

Background Information

The School Board Procedures Handbook is presented so a recommendation for approval can be submitted to the board. No additional feedback was obtained after a copy was emailed to board members on April 7th. However, the Personnel Committee will be reviewing the article about Superintendent succession planning shortly on May 5th. Furthermore, any changes made to the Non-Discrimination article will be incorporated into all district handbooks.

Recommendation

I move to recommend the attached School Board Procedures Handbook to the board for approval pending review of the Superintendent succession planning article.
