Welcome Back to School Students and Families

Welcome back Pioneers, I hope your summer was fun and you are ready to meet your teachers and get back to learning.

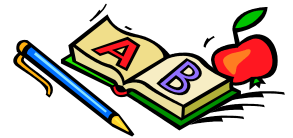

I learned so much about Williams Elementary and the community that supports our school so enthusiastically, it truly is a special place. I am so excited to be back for another year as a part of the Williams family, I am looking forward to meeting all of our new students and families and having a great 2018-2019 school year. I am happy to introduce our new staff members this year. Mrs. Simons will be teaching our second and third graders, she comes to us with some great student teaching experience. Bryel Nowak will be joining the Pioneer team as an educational assistant, she is an active member of the Williams community and we are excited to have as a member of our team. Ron Murphy will be taking over custodian duties from Wes Nevotti this summer, Ron comes to us with some great experience he gained while working at Fort Vannoy. Please give them all a hearty Pioneer welcome when you meet them.

As the new principal last fall I quickly learned of the pride and dedication the community has for William Elementary School. The staff and I will do everything we can to provide the best possible education for your students.
