**Principal's General Narrative:**

We have finished up the fall semester and are looking forward to a busy but successful spring semester. Many extra-curricular activities will keep us all busy throughout the spring but the local stock show and district basketball contests will be the focus in January. The TAKS and End-of-Course test dates will be quickly here with the first round beginning in early March. Mrs. Ballew, Mrs. Bader, Mrs. Stone, and I will be presenting at the annual Texas Association of Administrators Mid-Winter Conference at the end of the month. We are both excited and nervous about the opportunity to showcase our successes at the statewide venue.

The high school and junior high faculty, as always, would like to express our appreciation for the support and leadership from the school board, superintendent, and everyone in the central office. Thanks.
