Re: Approval of Networking Equipment at Coppell High School New Fine Art Center

The 2023 Bond election included the Coppell High School Fine Arts Center which needs additional networking equipment to support the technology infrastructure.

The proposal from Red River was procured in accordance with Texas Education Code §44.031 through the cooperative purchasing method of procurement with the DIR Cooperative. We will be paying for these upgrades out of remaining funds from the 2023 bond proceeds.

RECOMMENDATION: That the Coppell ISD Board of Trustees approve the proposal from Red River for the purchase and installation of network switching equipment not to exceed \$85,000.
