

Summary of Local Policy Recommendations

Update 125 includes the following local policy recommendations:

Local Policy	What Changed	Why it Changed
BDAA: Officers and Officials, Duties and Requirements of Board Officers	Revisions are recommended to this local policy on board officer duties and requirements. At Board Officers, the sentence indicating that the board may assign a district employee to provide clerical assistance is recommended for deletion since the superintendent, rather than the board, manages staff assignments, including providing support to the board. Under Terms and Duties — Vice President, the revised language clarifies who becomes president if there is a vacancy in that office and for how long.	Align with district practices and clarity
BDB: Board Internal Organization, Board Committees	This policy has been revised in coordination with policy BDF(LOCAL) to clarify the difference between board committees and advisory committees. Accordingly, the subtopic name of this code has been changed from Internal Committees to Board Committees, and new provisions are recommended to establish how board committees are formed and outline their purpose. Text addressing dissolution of board committees is also recommended for inclusion. The language previously at Special Committees has been moved to BDF(LOCAL).	Clarity
BDF: Board Internal Organization, Advisory Committees	This new local policy is recommended for inclusion to coordinate with the changes at BDB. The subtopic name of this code has been changed from Citizen Advisory Committees to Advisory Committees. Language has been moved here from BDB(LOCAL) and updated to clarify how advisory committees are formed and the parameters of their responsibilities. A section on Dissolution of the committees is also recommended for inclusion.	Clarity

Local Policy	What Changed	Why it Changed
EI: Academic Achievement	At Partial Credit, recommended revisions replace the phrase "combined grade for" with "average of" to more accurately reflect the determination of awarding credit when a student earns a passing grade in only half of a course.	Revised to be more accurate
FDE: Admissions, School Safety Transfers	At Safe Schools Data, "bullying" is recommended for inclusion as a transfer reason to align with the Unsafe School Choice Option Guidance Handbook.	Align with regulatory documents
FEC: Attendance, Attendance for Credit	<p>Revisions throughout this policy are recommended for clarity.</p> <p>The information in the first sentence of the policy has been incorporated at Absences Considered for improved readability. Rather than directing the board to establish attendance committees, the policy now authorizes the establishment of those committees by the administration. At Methods for Regaining Credit or Awarding a Final Grade, specifics regarding petitions for credit are recommended for deletion in favor of a reference to administrative regulations.</p> <p>Revisions at Imposing Conditions for Awarding Credit or a Final Grade are recommended to clarify requirements regarding "seat time." For more information, see the TASB.org article TEKS Mastery, Not Seat Time, Required for Attendance for Credit.</p>	Clarity
FFAC: Wellness and Health Services, Medical Treatment	Revisions to 25 Administrative Code 40.44, including a requirement for written notification to parents after administration of unassigned respiratory distress medication, prompted recommended revisions to this code.	Rule change

Accreditation

Each district must be accredited by Texas Education Agency (TEA). A district that is not accredited may not receive funds from TEA or hold itself out as operating a public school of this state. *Education Code 11.001, 39.052(f)*

District accreditation is determined in accordance with Education Code Chapter 39, Subchapter C and rules adopted by the commissioner of education at 19 Administrative Code, Chapter 97, Subchapter EE (Accreditation Status, Standards, and Sanctions). *Education Code 39.051*

Statuses

The commissioner shall determine criteria for the following accreditation statuses:

1. Accredited. Accredited means TEA recognizes the district as a public school of this state that meets the standards determined by the commissioner under Education Code 39.052(b) and (c), and specified in 19 Administrative Code 97.1059; and is not currently assigned an accreditation status of Accredited-Warning or Accredited-Probation;
2. Accredited-Warning. Accredited-Warning means the district exhibits deficiencies in performance, as specified in 19 Administrative Code 97.1055(b), that, if not addressed, will lead to probation or revocation of its accreditation status;
3. Accredited-Probation. Accredited-Probation means the district exhibits deficiencies in performance, as specified in 19 Administrative Code 97.1055(c), that must be addressed to avoid revocation of its accreditation status; and
4. Not Accredited-Revoked. Not Accredited-Revoked means TEA does not recognize the district as a Texas public school because the district's performance has failed to meet standards adopted by the commissioner under Education Code 39.052(b) and (c), and specified in 19 Administrative Code 97.1055(d).

Education Code 39.051; 19 TAC 97.1055(a)(1)

Annual Evaluation

Each year, the commissioner shall determine the accreditation status of each district. In determining the accreditation status of a district, the commissioner:

1. Shall evaluate and consider performance:
 - a. On achievement indicators under Education Code 39.053 [see Performance Indicators, below]; and

- b. Under the financial accountability rating system developed under Education Code, Chapter 39, Subchapter D [see CFA].
- 2. May evaluate and consider:
 - a. The district's compliance with statutory requirements and requirements imposed by rule of the commissioner or State Board of Education that relate to:
 - (1) Reporting data through the Public Education Information Management System (PEIMS) or other reports required by state or federal law or court order;
 - (2) High school graduation requirements; or
 - (3) Extracurricular activities, student health and safety, purchasing, elementary class size limits, removal of a disruptive student from the classroom, at-risk programs, and prekindergarten programs;
 - b. The effectiveness of the district's programs for special populations; and
 - c. The effectiveness of the district's career and technology program.

Based on a district's performance, the commissioner shall assign each district an accreditation status or revoke the accreditation of the district and order closure of the district.

A district's accreditation status may be raised or lowered based on the district's performance or may be lowered based on the performance of one or more campuses in the district that is below a standard required by Education Code Chapter 39, Subchapter C.

Education Code 7.056(e)(3)(C)-(I), 39.052; 19 TAC 97.1055

For additional information on the commissioner process for assigning accreditation status, see 19 Administrative Code 97.1055.

Notice of Status

The commissioner shall notify a district if the district has received an accreditation status of accredited-warned or accredited-probation, or a campus's performance is below standard. *Education Code 39.052(e)*

*To Parents and
Property Owners*

A district assigned an accreditation status of accredited-warned, accredited-probation, or not accredited-revoked shall notify the parents of students enrolled in the district and property owners in the district as specified in 19 Administrative Code 97.1055. The district's notice must contain information about the accreditation sta-

tus, the implications of such status, and the steps the district is taking to address the areas of deficiency identified by the commissioner. The district's notice shall use the format and language determined by the commissioner.

The district's notice must:

1. Not later than 30 calendar days after the accreditation status is assigned, appear on the home page of the district's website, with a link to the required notification, and remain until the district is assigned the accredited status; and
2. Appear in a newspaper of general circulation, as defined in 19 Administrative Code 97.1051 (Definitions), in the district for three consecutive days as follows:
 - a. From Sunday through Tuesday of the second week following assignment of the status; or
 - b. If the newspaper is not published from Sunday through Tuesday, then for three consecutive issues of the newspaper beginning the second week following assignment of the status; or
3. Not later than 30 calendar days after the status is assigned, be sent by first class mail addressed individually to each parent of a student enrolled in the district and each property owner in the district; or
4. Not later than 30 calendar days after the status is assigned, be presented as a discussion item in a public meeting of the board of trustees conducted at a time and location that allows parents of students enrolled in the district and property owners in the district to attend and provide public comment.

To TEA

A district required to act under this subsection shall send the following to TEA via certified mail, return receipt requested:

1. The universal resource locator (URL) for the link to the notification required above; and
2. Copies of the notice in the newspaper showing dates of publication, or a paid invoice showing the notice content and its dates of publication; or
3. Copies of the notice sent by mail and copies of all mailing lists and postage receipts; or
4. Copies of the notice presented at a public meeting and copies of the board of trustees meeting notice and minutes for the

board meeting in which the notice was presented and publicly discussed.

19 TAC 97.1055(f)

**Performance
Indicators**

The commissioner shall adopt a set of indicators of the quality of learning and achievement, including three domains of achievement indicators. [See Achievement Indicators, below] *Education Code 39.053(a)*

The indicators must measure and evaluate districts and campuses with respect to:

1. Improving student preparedness for success in subsequent grade levels and entering the workforce, the military, or post-secondary education;
2. Reducing, with the goal of eliminating, student academic achievement differentials among students from different racial and ethnic groups and socioeconomic backgrounds; and
3. Informing parents and the community regarding campus and district performance.

Education Code 39.053(a-1)

*Achievement
Indicators*

Districts and campuses must be evaluated based on indicators of achievement grouped in three domains:

1. Student achievement domain;
2. School progress domain; and
3. Closing the gaps domain.

Education Code 39.053(c)

Performance on the achievement indicators in the three domains shall be compared to state-established standards. The indicators must be based on information that is disaggregated by race, ethnicity, and socioeconomic status. *Education Code 39.053(b)*

Each school district shall submit the data required for the indicators to the commissioner. *Education Code 39.053(i)*

**A-F Performance
Ratings**

Except when the commissioner determines the assignment of an overall performance rating would be inappropriate [see Assignment of Not Rated, below], the commissioner shall adopt rules to evaluate district and campus performance and assign each district and campus an overall performance rating of A, B, C, D, or F.

In addition to the overall performance rating, the commissioner shall assign each district and campus a separate domain performance rating of A, B, C, D, or F for each domain under Education Code 39.053(c) [see Achievement Indicators, above].

An overall or domain performance rating of:

1. A reflects exemplary performance.
2. B reflects recognized performance.
3. C reflects acceptable performance.
4. D reflects performance that needs improvement.
5. F reflects unacceptable performance.

A district may not receive an overall or domain performance rating of A if the district includes any campus with a corresponding overall or domain performance rating of D or F.

For purposes of assigning districts and campuses an overall and a domain performance rating, the commissioner shall ensure that the method used to evaluate performance is implemented in a manner that provides the mathematical possibility that all districts and campuses receive an A rating.

Not later than August 15 of each year, the following information shall be made publicly available as provided by rules adopted by the commissioner:

1. The performance ratings for each district and campus; and
2. If applicable, the number of consecutive school years of unacceptable performance ratings for each district and campus.

Education Code 39.054(a), (a-3), (b)

Assignment of Not
Rated

Notwithstanding any other law, the commissioner may assign a district or campus an overall performance rating of “Not Rated” if the commissioner determines that the assignment of a performance rating of A, B, C, D, or F would be inappropriate because:

1. The district or campus is located in an area that is subject to a declaration of a state of disaster under Government Code Chapter 418 and due to the disaster, performance indicators for the district or campus are difficult to measure or evaluate and would not accurately reflect quality of learning and achievement for the district or campus;

2. The district or campus has experienced breaches or other failures in data integrity to the extent that accurate analysis of data regarding performance indicators is not possible;
3. The number of students enrolled in the district or campus is insufficient to accurately evaluate the performance of the district or campus; or
4. For other reasons outside the control of the district or campus, the performance indicators would not accurately reflect quality of learning and achievement for the district or campus.

Education Code 39.054(a-4)

Calculating
Consecutive Years

Notwithstanding any other law, an overall performance rating of “Not Rated” is not included in calculating consecutive school years of unacceptable performance ratings and is not considered a break in consecutive school years of unacceptable performance ratings for purposes of any provision of the Education Code. *Education Code 39.054(a-5)*

Acceptable
Performance

A reference in law to an acceptable performance rating or acceptable performance includes an overall or domain performance rating of A, B, or C or performance that is exemplary, recognized, or acceptable. A reference in law to an unacceptable performance rating or unacceptable performance includes an overall or domain performance rating of F. For the purposes of public reporting requirements, an overall or domain performance rating of D shall be referred to as performance that needs improvement. *Education Code 39.0543(a)*

D Rating

A reference in law to an acceptable performance rating or acceptable performance for a district or campus includes an overall performance rating of D if, since previously receiving an overall performance rating of C or higher, the district or campus has not previously received more than one overall performance rating of D or has not received an overall performance rating of F. *Education Code 39.0543(b)*

**Local Accountability
System**

The local accountability system standards established by the commissioner under Education Code 39.0544 shall be used by districts to develop a plan to locally evaluate the performance of their campuses. *19 TAC 97.1003(a)*

Local Accountability
Plan

A local accountability plan created by a district must include domain performance ratings assigned by the commissioner under Education Code 39.054, and performance ratings based on locally developed domains or sets of accountability measures. *19 TAC 97.1003(b)*

	<p>A district must create its local accountability plan based on school type. The four school types are elementary school, middle school, high school, and kindergarten-grade 12. The plan must include all campuses within a school type. The district may also request to identify an additional school group within a school type for which to customize its local accountability plan. Otherwise, all campuses within a school type must be evaluated on a common set of components determined by the district. A district may also request to identify a campus rated under alternative education accountability provisions as a unique school type. <i>19 TAC 97.1003(b)(4)</i></p>
Plan Components	<p>A locally developed domain or set of accountability measures is referred to as a plan component. Plan components must describe each item and the reason for its inclusion in the plan. A district must assign each component to one of the following five domains: academics, culture and climate, extra- and co-curricular, future-ready learning, and locally determined. The weight of all plan components must equal 100 percent. <i>19 TAC 97.1003(b)(1)</i></p> <p>A district may assign weights to each plan component, as determined by the district, provided that the plan components must in the aggregate account for no more than 50 percent of the combined overall performance rating. A local accountability plan may include no fewer than two and no more than 10 components weighted between 5 percent and 60 percent. <i>19 TAC 97.1003(c)</i></p> <p>Each plan component must contain levels of performance that allow for differentiation, with assigned standards for achieving the differentiated levels that are aligned to a letter grade of A, B, C, D, or F and meet the requirements of 19 Administrative Code 97.1003(d)(1)-(3). <i>19 TAC 97.1003(d)</i></p> <p>Each plan component measure must meet standards for reliability and validity as required by 19 Administrative Code 97.1003(e)(1)-(3). <i>19 TAC 97.1003(e)</i></p>
Campuses without STAAR or State Ratings	<p>For the purposes of assigning state accountability ratings, a campus that does not serve any grade level for which a State of Texas Assessments of Academic Readiness (STAAR) examination is administered is paired with a campus in its district that serves grade levels for which STAAR examinations are administered.</p> <p>A campus not rated under the state accountability system is not eligible to combine state and local ratings. Local accountability data for a campus without state ratings may be displayed on TEA, district, and campus websites but will not be combined with state accountability data. The state accountability manual adopted under 19 Administrative Code 97.1001 (Accountability Rating System)</p>

provides information about campus ratings and eligibility for applicable years.

19 TAC 97.1003(b)(3)

Campus
Performance
Ratings

A district authorized to assign campus performance ratings shall evaluate the performance of each campus and assign each campus a performance rating of A, B, C, D, or F for overall performance and for each locally developed domain or set of accountability measures. Not later than a date established by the commissioner, the district shall:

1. Report the performance ratings to the agency; and
2. Make the performance ratings available to the public as provided by commissioner rule.

Education Code 39.0544(e)

Each campus with an approved district plan is eligible to receive a local accountability rating. A campus with an overall state accountability rating of C or higher based on ratings derived from student performance at the campus is eligible to combine an overall local accountability rating with the overall state accountability rating to determine the combined rating. *19 TAC 97.1003(b)(2); Education Code 39.054(a)*

Submission and
Audit Standards

Calculations for each plan component and overall performance ratings must be capable of being audited by a third party.

A district must use a one-to-one correspondence when converting campus grades based on plan component measures to a standard scale of 30-100 where A=90-100, B=80-89, C=70-79, D=60-69, and F=30-59.

Categorical data, or data not on a continuous scale, must be converted to the standard scale of A=90-100, B=80-89, C=70-79, D=60-69, and F=30-59 by assigning the maximum value for each scaled score interval with the corresponding category used in the campus rating scale.

A district is required to submit a local accountability plan component, domain that includes components, domains, and overall scaled scores and ratings to TEA on a timeline determined by the first week of July of commissioner. The timeline will be published on the applicable accountability year. TEA website.

19 TAC 97.1003(f)(3)

All scaled scores and letter grades submitted by a school district are subject to audit. Any data discrepancies or any indication that

data have been compromised may result in verification and audit of district and campus data used to assign local accountability ratings. The audit process may include requests for data used for campus-level calculation of component and domain scaled scores.

On an annual basis, TEA will randomly select districts for local accountability audits, and, for each such audit, TEA will randomly select components for review. Selected districts must submit the requested data for review within the timeframe specified. A district must maintain documentation of its local accountability plan, along with all associated data used to assign campus ratings, for two years after the end of the plan implementation period.

Responsibility for the accuracy and quality of data used to determine local accountability ratings rests with each district. Superintendent certification of data accuracy during the ratings submission process shall include an assurance that calculations have been verified to ensure that all data were included as appropriate for all components.

19 TAC 97.1003(f)(1)-(6)

Scorecard and
Website

A district must produce a campus scorecard and make available on the district website an explanation of the methodology used to assign local accountability performance ratings. The campus scorecard shall include, at a minimum, the scaled score and rating for each component and domain along with the overall rating. A link to the local accountability ratings posted by the district must be provided to TEA and may be included on the agency-developed school report card. *19 TAC 97.1003(g)*

Appeal and
Revision

An appeal of a local accountability rating may be submitted by the superintendent once ratings are released. The local accountability appeals timeline follows the appeal deadline dates and processes as described in the state accountability manual adopted under 19 Administrative Code 97.1001 of this title for the applicable year. *19 TAC 97.1003(f)(7)*

Ratings may be revised as a result of investigative activities by the commissioner as authorized under Education Code 39.057(d) and (e) (redesignated to Education Code 39.003). *19 TAC 97.1003(h)*

**Distinction
Designations for
Outstanding
Performance**

The commissioner shall award distinction designations for outstanding performance. A distinction designation awarded to a district or campus shall be referenced directly in connection with the performance rating assigned to the district or campus and made publicly available together with the A-F performance ratings.

A district or campus may not be awarded a distinction designation unless the district or campus has acceptable performance under the A-F performance ratings.

Education Code 39.201

Academic
Distinction

The commissioner shall establish an academic distinction designation for districts and campuses for outstanding performance in attainment of postsecondary readiness based on the commissioner's adopted criteria. *Education Code 39.202*

Campus Distinction

The commissioner shall award a campus a distinction designation for outstanding performance in:

1. Improvement in student achievement;
2. Closing student achievement differentials; and
3. Academic achievement in English language arts, mathematics, science, or social studies.

Education Code 39.203

The commissioner may award a distinction designation for outstanding performance in advanced middle or junior high school student achievement. *Education Code 39.203(d)*

**Excellence
Exemptions**

Except as listed below, a district or campus that is rated A (exemplary) is exempt from requirements and prohibitions imposed under the Education Code, including regulations adopted under the Education Code.

An exemplary campus or district is not exempt from:

1. A prohibition on conduct that constitutes a criminal offense;
2. Requirements imposed by federal law or rule, including requirements for special education or bilingual education programs;
3. A requirement, restriction, or prohibition relating to:
 - a. Curriculum essential knowledge and skills or high school graduation requirements;
 - b. Public school accountability;
 - c. Extracurricular activities;
 - d. Health and safety;
 - e. Purchasing;
 - f. Elementary class size limits;

- g. Removal of a disruptive student from the classroom;
- h. At-risk programs;
- i. Prekindergarten programs;
- j. Rights and benefits of school employees;
- k. Special education programs; or
- l. Bilingual education programs.

The commissioner may exempt an exemplary campus from class size limits if the campus submits a written plan showing steps that will be taken to ensure that the exemption will not be harmful to the academic achievement of the students on the school campus. If granted, the exemption remains in effect until the commissioner determines that achievement levels of the campus have declined.

Education Code 39.232

**Special
Investigations**

The commissioner may authorize a special investigation:

1. When excessive numbers of absences of students eligible to be tested on state assessment instruments are determined;
2. When excessive numbers of allowable exemptions from the required state assessment are determined;
3. In response to complaints to the Texas Education Agency (TEA) of alleged violations of civil rights or other requirements imposed on the state by federal law or court order;
4. In response to established compliance reviews of the district's financial accounting practices and state and federal reporting requirements;
5. When extraordinary numbers of student placements in disciplinary alternative education programs, other than placements under Education Code 37.006 and 37.007, are determined;
6. In response to an allegation involving a conflict between members of the board or between the board and the district administration if it appears that the conflict involves a violation of a role or duty of the board members or the administration clearly defined by the Education Code. If TEA's findings indicate the board has observed a lawfully adopted policy, TEA may not substitute its judgment for that of the board;
7. When excessive numbers of students in special education programs are assessed through modified assessment instruments;
8. In response to an allegation regarding, or an analysis using a statistical method result indicating, a possible violation of an assessment instrument security procedure;
9. When a significant pattern of decreased academic performance has developed as a result of the promotion in the preceding two school years of students who did not perform satisfactorily on the state assessments;
10. When excessive numbers of students eligible to enroll fail to complete an Algebra II course or any other advanced course as determined by the commissioner;
11. When resource allocation practices indicate a potential for significant improvement in resource allocation;
12. When a disproportionate number of students of a particular demographic group is graduating with a particular endorsement;

13. When an excessive number of students is graduating with a particular endorsement;
14. When a school district for any reason fails to produce, at the request of TEA, evidence or an investigation report relating to an educator who is under investigation by the State Board for Educator Certification;
15. When 10 percent or more of the students graduating in a particular school year from a particular high school campus are awarded a diploma based on the determination of an individual graduation committee under Education Code 28.0258;
16. In response to a complaint with respect to alleged inaccurate data that is reported through PEIMS or through other reports required by state or federal law or rule or court order and that is used by TEA to make a determination relating to public school accountability, including accreditation, under Education Code Chapter 39;
17. In response to repeated complaints submitted to TEA concerning imposition of excessive paperwork requirements on classroom teachers; or
18. As the commissioner otherwise determines necessary.

Education Code 39.003(a), (c)

TEA shall adopt written procedures for conducting special investigations, including procedures that allow TEA to obtain information from district employees in a manner that prevents a district or campus from screening the information. *Education Code 39.004(a)*

Note: The procedures for conducting a special investigation, holding a hearing following an investigation, the process for commissioner determinations, and judicial appeal are described in Education Code 39.004-.007.

Commissioner
Action

Based on the results of a special investigation, the commissioner may:

1. Take appropriate action under Education Code Chapter 39A, [see AIC];
2. Lower the district's accreditation status or a district's or campus's performance rating; or
3. Take action under both items 1 and 2 above.

Education Code 39.003(d)

At any time before issuing a report with the TEA's final findings, the commissioner may defer taking the above action until:

1. A person who is a third party, selected by the commissioner, has reviewed programs or other subjects of a special investigation and submitted a report identifying problems and proposing solutions;
2. A district completes a corrective action plan developed by the commissioner; or
3. The completion of actions under both items 1 and 2 above.

Education Code 39.003(e)

Based on the results of an action taken above, the commissioner may decline to take the deferred action. *Education Code 39.003(f)*

Note: The procedures for an informal review or hearing following an investigation are described in 19 Administrative Code Chapter 157, Subchapter EE.

Monitoring Reviews

In accordance with Education Code 7.028(a), TEA may monitor compliance with requirements applicable to a process or program provided by a district, campus, or program, only as necessary to ensure:

1. Compliance with federal law and regulations;
2. Financial accountability, including compliance with grant requirements;
3. Data integrity for purposes of:
 - a. The Public Education Information Management System (PEIMS); and
 - b. Accountability under Education Code Chapter 39 and 39A; and
4. Qualification for funding under Education Code Chapter 48.

The board has primary responsibility for ensuring that the district complies with all applicable requirements of state educational programs.

Education Code 7.028

Compliance Monitoring Activities

Districts are subject to general supervision and monitoring activities for compliance with state law and federal regulation, implemented by TEA under 34 C.F.R. 300.600-.609 [see Supervision

Under IDEA, below], and review of program implementation and effectiveness within certain special populations of students.

Activities may include:

1. Random, targeted, or cyclical reviews authorized under Education Code 39.056 (monitoring reviews), conducted remotely or on-site to identify problems implementing state and federal requirements and to provide support for development of reasonable and appropriate strategies to address identified problems; and/or
2. Intensive or special investigative remote or on-site reviews authorized under Education Code 39.003 and 39.004.

Activities described above are applicable for compliance with requirements for reading diagnosis in Education Code 28.006 [see EKC], dyslexia and related disorders in Education Code 38.003 and 19 Administrative Code 74.28 [see EHB], and program effectiveness for emergent bilingual students in Education Code 29.062.

19 TAC 97.1071(b)-(d)

Notice	TEA shall give written notice to the superintendent and the board of trustees of any impending monitoring review. <i>Education Code 39.056(d)</i>
Conducting the Review	A monitoring review may include desk reviews and on-site visits, including random on-site visits. In conducting a monitoring review, TEA may obtain information from administrators, other district employees, parents of students enrolled in the district, and other persons as necessary. <i>Education Code 39.056(c), (g)</i>
Converting to a Special Investigation	The commissioner may at any time convert a monitoring review to a special investigation under Education Code 39.003, provided the commissioner promptly notifies the district of the conversion. <i>Education Code 39.056(h)</i>
Improvements	TEA shall report in writing to the superintendent and president of the board and shall make recommendations concerning any necessary improvements or sources of aid such as regional education service centers. A district that takes action with regard to the recommendations provided by TEA shall make a reasonable effort to seek assistance from a third party in developing an action plan to improve district performance using improvement techniques that are goal-oriented and research-based. <i>Education Code 39.056(e)-(f)</i>

Appeals

A decision by the commissioner under Education Code Chapter 39 or 39A is final and may not be appealed unless an applicable provision of Chapter 39 or 39A provides otherwise. *Education Code 39A.906* [See AIC]

Compliance Investigation

A compliance investigation is an investigation by TEA of a state education grant recipient to determine compliance with the statutory or rule requirements of a state education program. A compliance investigation is not a special investigation subject to Education Code 39.003 and 39.004 (above). *19 TAC 102.1401(a)(1)*

Supervision Under IDEA

In exercising its general supervision authority under 34 C.F.R. sections 300.149 and 300.600, TEA has established a process that provides for the investigation and issuance of findings regarding credible allegations of violations of the Individuals with Disabilities Education Act (IDEA), Part B, or a state statute or administrative rule created to implement IDEA, that arise from an area of concern. The following guidelines shall apply to this process.

Definitions

“Area of concern” means that TEA has been made aware of an allegation regarding a violation of, or noncompliance with, a requirement of IDEA, Part B, or a state special education law or administrative rule.

“Credible allegation” means that TEA has determined that an allegation arising from an area of concern is credible enough to investigate further to determine if a violation or noncompliance has occurred.

Credibility
Determination

Information and awareness of an area of concern may arise directly from TEA or from external sources.

TEA will engage in a process to determine if an area of concern is determined to be a credible allegation, and, if determined credible, TEA will initiate an investigation to determine if findings of noncompliance will be issued.

TEA will generally not engage in the process described below to determine if an area of concern is a credible allegation if it is a media report, social media post, or an anonymous report, unless TEA receives corroborating information and facts that a specific violation of state or federal law or rule has occurred if the allegation were to be confirmed true.

When an individual or organization reports a special education area of concern, TEA may direct the individual or organization to the established dispute resolution processes. Depending on the frequency or specificity of the type of allegation made, TEA may engage in a process to determine credibility of the allegation.

Process

1. The electronic submission of TEA's online application for initial funding; and
2. The electronic submission of the following materials:
 - a. A brief description and photograph of the newly constructed, repurposed, or leased instructional facility;
 - b. A copy of a legal document that clearly describes the nature and dates of the new or repurposed construction or a copy of the applicable lease;
 - c. A site plan;
 - d. A floor plan; and
 - e. If applicable, a demolition plan.

Second-year applications require only the electronic submission of TEA's online application for follow-up funding no later than July 15 of the year preceding the applicable school year.

Survey on Days of Instruction In the fall of the school year after a school year for which an applicant received NIFA funds, the district that received the funds must complete an online survey on the number of instructional days held in the new facility and submit the completed survey electronically. TEA will use submitted survey information in determining the final (settle-up) amount earned by each eligible school district, as described by 19 Administrative Code 61.1034(e)(6).

Costs and Payments The costs and payments for the NIFA are determined by the commissioner.

The allotment for the NIFA is a part of the cost of the first tier of the FSP. This allotment is not counted in the calculation of weighted average daily attendance for the second tier of the FSP.

If, for all eligible applicants combined, the total cost of the NIFA exceeds the amount appropriated, each allotment is reduced so that the total amount to be distributed equals the amount appropriated. Reductions to allotments are made by applying the same percentage adjustment to each school district.

Allocations will be made in conjunction with allotments for the FSP in accordance with the school district's payment class. For school districts that are subject to the excess local revenue provisions under Education Code 48.257, and do not receive payments from the Foundation School Fund, NIFA distributions will be reflected as reduced recapture payments.

For school districts that are subject to the excess local revenue provisions under Education Code 48.257, NIFA distributions increase the amount of the FSP entitlement and so will automatically reduce any excess local revenue and reduce the requirement to send recapture to the state in the amount of the NIFA allocation.

For all school districts receiving the NIFA, a final (settle-up) amount earned is determined by the commissioner when information reported through the survey described above is available in the fall of the school year after the school year for which NIFA funds were received. [See Survey on Days of Instruction, above] The final amount earned is determined using the submitted survey information and final counts of ADA for the school year for which NIFA funds were received, as reported through PEIMS.

The amount of funds to be distributed for the NIFA to a school district is in addition to any other state aid entitlements.

The commissioner shall maintain an instructional materials and technology account for each district. In the first year of each biennium, the commissioner shall deposit the district's allotment in the account. The commissioner shall pay the cost of instructional materials requisitioned by a district under Education Code 31.103 using funds from the district's instructional materials and technology account.

Money deposited in a district's instructional materials and technology account during each state fiscal biennium remains in the account and available for use by the district for the entire biennium.

At the end of each biennium, a district with unused money in the district's account may carry forward any remaining balance to the next biennium.

A district shall provide to TEA the title and publication information for any instructional materials requisitioned or purchased by the district with the district's instructional materials and technology allotment.

The plan must ensure that OER instructional materials are used in a manner that maintains the instructional flexibility of a classroom teacher to address the needs of each student.

A district that participates in the program developed and maintained by TEA under Education Code 31.0752 is not required to adopt a transition plan under this provision. [\[See OER Instructional Material Support Program, below\]](#)

Prior to the beginning of each school year, a district shall submit to the SBOE and commissioner certification that the district:

1. For each subject in the required curriculum under Education Code 28.002, other than physical education, and each grade level:
 - a. Provides each student with instructional materials that cover all elements of the essential knowledge and skills adopted by the SBOE for that subject and grade level; and

No. 106-554) [see CQ], Education Code 28.0022 [see EMB], Penal Code 43.22, and any other law or regulation that protects students from obscene or harmful content [see EFA]; and
2. The district used money allocated to the district or school under the instructional materials and technology allotment only for purposes allowed under Education Code 31.0211.

To determine whether each student has instructional materials that cover all elements of the essential knowledge and skills, a district may consider:

At the end of the school year for which OER instructional material that a district does not intend to use for another student is distributed, the printed copy of the OER instructional material becomes the property of the student to whom it is distributed.

This provision does not apply to an electronic copy of OER instructional material.

Education Code 31.104(c), (g)-(h)

Responsibility for Instructional Materials and Equipment

Each student or the student's parent or guardian is responsible for all instructional material and technological equipment not returned in an acceptable condition by the student. A student who fails to return in an acceptable condition all instructional materials and technological equipment forfeits the right to free instructional materials and technological equipment until all instructional materials and technological equipment previously issued but not returned in an acceptable condition are paid for by the student, parent, or guardian.

As provided by board policy, a district may waive or reduce the payment required if the student is from a low-income family. [See FP] The district shall allow the student to use instructional materials and technological equipment at school during each school day.

If instructional materials or technological equipment is not returned in an acceptable condition or paid for, a district may withhold the student's records. A district may not prevent the student from graduating, participating in a graduation ceremony, or receiving a diploma. [See FL and GBA regarding student and parental right to access records; and FD, FFAB, and FL regarding a district's duties to provide records to another district]

The board may not require an employee of the district who acts in good faith to pay for instructional materials or technological equipment that is stolen, misplaced, or not returned by a student. [See DG]

These provisions do not apply to an electronic copy of OER instructional material.

1. The superintendent or other head of an elementary or secondary school system, and any assistants, responsible for administration of such matters as curriculum, quality and methods of instructing, measuring and testing the learning potential and achievement of students, establishing and maintaining academic and grading standards, and other aspects of the teaching program;
2. The principal and any vice principals responsible for the operation of an elementary or secondary school;
3. Academic counselors who perform work such as administering school testing programs, assisting students with academic

problems and advising students concerning degree requirements; and

4. Other employees with similar responsibilities.

Jobs relating to building management and maintenance, jobs relating to the health of the students, and academic staff such as social workers, psychologists, lunchroom managers, or dietitians do not perform academic administrative functions, although such employees may qualify for another exemption.

29 C.F.R. 541.204

Salary Basis

To qualify as an exempt executive, administrative, or professional employee, the employee must be compensated on a salary basis, unless the employee is a teacher. Subject to the exceptions listed in the rule, an employee must receive the full salary for any week in which the employee performs any work, without regard to the number of days or hours worked. A district that makes improper deductions from salary shall lose the exemption if the facts demonstrate that the district did not intend to pay exempt employees on a salary basis. *29 C.F.R. 541.600, .602(a), .603*

*Partial-Day
Deductions*

A district employee who otherwise meets the salary basis requirements shall not be disqualified from exemption on the basis that the employee is paid according to a pay system established by statute, ordinance, or regulation, or by a policy or practice established pursuant to principles of public accountability, under which the employee accrues personal leave and sick leave and which requires the employee's pay to be reduced or the employee to be placed on leave without pay for absences for personal reasons or because of illness or injury of less than one workday when accrued leave is not used by an employee because:

1. Permission for its use has not been sought or has been sought and denied;
2. Accrued leave has been exhausted; or
3. The employee chooses to use leave without pay.

Deductions from the pay of a district employee for absences due to a budget-required furlough shall not disqualify the employee from being paid on a salary basis except in the workweek in which the furlough occurs and for which the employee's pay is accordingly reduced.

29 C.F.R. 541.710

*Safe Harbor
Policy*

If a district has a clearly communicated policy that prohibits improper pay deductions and includes a complaint mechanism, reimburses employees for any improper deductions, and makes a good faith commitment to comply in the future, the district will not lose the exemption unless the district willfully violates the policy by continuing to make improper deductions after receiving employee complaints.

The best evidence of a clearly communicated policy is a written policy that was distributed to employees before the improper pay deductions by, for example, providing a copy of the policy to employees upon hire, publishing the policy in an employee handbook, or publishing the policy on a district's intranet.

29 C.F.R. 541.603(d)

Teachers

The term "employee employed in a bona fide professional capacity" includes any employee with a primary duty of teaching, tutoring, instructing, or lecturing in the activity of imparting knowledge and who is employed and engaged in this activity as a teacher in an elementary or secondary school system by which the employee is employed. The salary basis requirements do not apply to teaching professionals.

Exempt teachers include:

1. Regular academic teachers;
2. Teachers of kindergarten or nursery school pupils;
3. Teachers of gifted or disabled children;
4. Teachers of skilled and semi-skilled trades and occupations;
5. Teachers engaged in automobile driving instruction;
6. Home economics teachers; and
7. Vocal or instrumental music instructors.

Those faculty members who are engaged as teachers but also spend a considerable amount of their time in extracurricular activities such as coaching athletic teams or acting as moderators or advisors in such areas as drama, speech, debate, or journalism are engaged in teaching. Such activities are a recognized part of the schools' responsibility in contributing to the educational development of the student.

The possession of an elementary or secondary teacher's certificate provides a clear means of identifying the individuals contemplated as being within the scope of the exemption for teaching professionals. Teachers who possess a teaching certificate qualify

for the exemption regardless of the terminology (e.g., permanent, conditional, standard, provisional, temporary, emergency, or unlimited) used by the state to refer to different kinds of certificates. However, a teacher who is not certified may be considered for exemption, provided that such individual is employed as a teacher by the employing school or school system.

Wage and Hour
Records

A district shall maintain and preserve payroll or other records for nonexempt employees containing the information required by the regulations under the FLSA. *29 C.F.R. 516.2(a)*

**Payday Law
Exemption**

The Texas Payday Law does not apply to the state or a political subdivision. *Labor Code 61.003*

Principal

The staff development provided by a district to a principal shall be governed by Education Code 21.3541 and rules adopted under that section. [See DNB]

Education Code 21.451(a), (a-1)

Professional
Development Policy

A board shall annually review the SBEC continuing education and training clearinghouse published under Education Code 21.4514 and adopt a professional development policy that must:

1. Be guided by the recommendations for training in the clearinghouse;
2. Note any differences in the policy adopted by the district or school from the recommendations in the clearinghouse; and
3. Include a schedule of all training required for educators or other school personnel at the district or school.

To the extent of any conflict, a frequency requirement for the completion of training provided by statute prevails over a frequency requirement for that training included in the professional development policy.

Education Code 21.4515(a), (b)

**Requirements for
Training**

In designing staff development for educators other than principals, a district must use procedures that, to the greatest extent possible, ensure the training included in the staff development:

1. Incorporates proactive instructional planning techniques using a framework that:
 - a. Provides flexibility in the ways:
 - (1) Information is presented;
 - (2) Students respond or demonstrate knowledge and skills; and
 - (3) Students are engaged;
 - b. Reduces barriers in instruction;
 - c. Provides appropriate accommodations, supports, and challenges; and

- d. Maintains high achievement expectations for all students, including students with disabilities and students of limited English proficiency; and
2. Integrates inclusive and evidence-based instructional practices for all students, including students with disabilities.

Staff development shall be predominantly campus-based, related to achieving campus performance objectives, and developed and approved by the campus-level committee.

A district may use district-wide staff development that has been developed and approved through the district-level decision process. [See BQA and BQB, as appropriate]

Education Code 21.451(a-2), (b), (c)

Optional Training

Staff development may include training in:

1. Technology and digital learning; and
2. Positive behavior intervention and support strategies, including classroom management, district discipline policies, and the Student Code of Conduct.

*Instruction of
Students with
Disabilities*
Definition

“Student with a disability” means a student who is:

1. Eligible to participate in a school district’s special education program under Education Code 29.003;
2. Covered by Section 504, Rehabilitation Act of 1973 (29 U.S.C. Section 794); or

1. Relates to the instruction of students with disabilities, including students with disabilities who also have other intellectual or mental health conditions; and
2. Is designed for educators who work primarily outside the area of special education.

A district is required to provide the training to an educator who works primarily outside the area of special education only if the educator does not possess the knowledge and skills necessary to implement the individualized education program developed for a student receiving instruction from the educator. A district may determine the time and place at which the training is delivered.

In developing or maintaining the training, a district must consult with persons with expertise in research-based practices for students with disabilities, including colleges, universities, private and nonprofit organizations, regional education service centers, qualified district personnel, and any other persons identified as qualified by the district, regardless of whether the training is provided at the campus or district level.

Education Code 21.451(d)(2), (e)-(f)

*Suicide
Prevention*

The required suicide prevention training may be satisfied through independent review of suicide prevention training material that complies with the guidelines developed by the Texas Education Agency (TEA) and is offered online. *Education Code 21.451(d-2); 19 TAC 153.1013(d)*

4. Assist students in returning to school following treatment of a mental health concern or suicide attempt.

A district shall provide training described in the components above for teachers, school counselors, principals, and all other appropriate personnel. A district is required to provide the training at an elementary school campus only to the extent that sufficient funding and programs are available. A school district may implement a program on TEA's list of recommended best practice-based programs [see FFEB] to satisfy this training requirement.

If a district provides the training, a district shall require completion in accordance with the district's professional development policy and maintain records that include district employees who participated in the training.

A district may satisfy a requirement to implement a program in the area of substance abuse prevention and intervention by providing instruction related to youth substance use and abuse education under Education Code 38.040. [See EHAC]

These time frames do not apply if the parent repeatedly fails or refuses to produce the child for the evaluation. *34 C.F.R. 300.301(d)(1)*

Transfer
Students

A district shall ensure that evaluations of children who transfer from one district to another in the same academic year are coordinated with the children's prior and subsequent schools, as necessary and as expeditiously as possible, to ensure prompt completion of evaluations. *34 C.F.R. 300.304(c)(5)*

If a student was in the process of being evaluated for special education eligibility by a district and enrolls in another district before the previous district completed the FIIE, the new district must coordinate with the previous district as necessary and as expeditiously as possible to ensure a prompt completion of the evaluation in accordance with 34 C.F.R., 300.301(d)(2) and (e) and 300.304(c)(5).

The timelines above do not apply in such a situation if:

1. The new school district is making sufficient progress to ensure a prompt completion of the evaluation; and
2. The parent and the new school district agree to a specific time when the evaluation will be completed.

*Student
Communication*

The evaluation shall be conducted using procedures that are appropriate for the student's most proficient method of communication. *Education Code 29.004(b)*

*Psychological
Examinations*

If a district determines that an additional examination or test is required for the initial and individual evaluation, the district shall provide the information required by Education Code 29.0041(a) and shall obtain additional parental consent. If a parent does not give consent within 20 calendar days after the district provided the information, the parent's consent is considered denied.

Reevaluations

A district shall ensure that each child with a disability is reevaluated if the district determines that the educational or related services needs of the child, including improved academic achievement and functional performance, warrant a reevaluation, or if the child's parent or teacher requests a reevaluation.

2. At least once every three years, unless the parent and district agree that a reevaluation is unnecessary.

Change in Eligibility

A district must evaluate a child with a disability before determining that the child is no longer a child with a disability. However, an evaluation is not required before the termination of eligibility due to graduation from secondary school with a regular diploma or due to exceeding the age eligibility for FAPE under state law. If a child's eligibility terminates under the aforementioned circumstances, a district must provide a summary of academic achievement and functional performance, which shall include recommendations on how to assist the child in meeting the child's postsecondary goals. *34 C.F.R. 300.305(e); 20 U.S.C. 1414(c)(5)*

This summary must consider, as appropriate, the views of the parent and student and written recommendations from adult service agencies on how to assist the student in meeting postsecondary goals. An evaluation as required by 34 C.F.R. 300.305(e)(1), must be included as part of the summary for a student graduating under 19 Administrative Code 89.1070(b)(3)(A), (B), or (C) or (f)(4)(A), (B), or (C). 19 TAC 89.1070(g)~~

<i>Use in Disciplinary Actions Against District Personnel</i>	<p>If a person described by items 3, 4, or 5, above, views the recording and believes that it documents a possible violation of district or campus policy, the person may allow access to the recording to appropriate legal and human resources personnel of the district to the extent not limited by the Family Educational Rights and Privacy Act (FERPA) or other law. A recording believed to document a possible violation of district policy relating to the neglect or abuse of a student may be used in a disciplinary action against district personnel and must be released in a legal proceeding at the request of a parent of the student involved in the incident documented by the recording. <i>Federal Law / FERPA</i>	<p>19 Administrative Code 103.1301(j) (child abuse reporting) and (k) (disciplinary actions against personnel) do not limit the access of a student's parent to a record regarding the student under FERPA or other law. To the extent any provisions in Education Code 29.022 and 19 Administrative Code 103.1301 conflict with FERPA or other federal law, federal law prevails. <i>19 TAC 103.1301(l)</i></p>

4. Except as provided by item 6 of this provision, a requirement that a campus begin operation of a video camera in compliance with this provision not later than the 45th school business day, or the first school day after the 45th school business day if that day is not a school day, after the request is authorized unless the Texas Education Agency (TEA) grants an extension of time;
5. A provision permitting the parent of a student whose admission, review, and dismissal (ARD) committee has determined that the student's placement for the following school year will be in a classroom or other special education setting in which a video camera may be placed under this section to make a request for the video camera by the later of:
 - a. The date on which the current school year ends; or
 - b. The 10th school business day after the date of the placement determination by the ARD committee;
6. A requirement that, if a request is made by a parent in compliance with item 5 of this provision, unless TEA grants an extension of time, a campus begins operation of a video camera in compliance with this provision not later than the later of:
 - a. The 10th school day of the fall semester; or

12. A requirement that video cameras placed in a self-contained classroom or other special education setting be capable of recording video and audio of all areas of the classroom or setting, except that no visual monitoring of bathrooms and areas in which a student's clothes are changed may occur. A video recording under this section is a governmental record only for purposes of Penal Code 37.10.

Operation of
Camera

These provisions apply to the placement, operation, and maintenance of a video camera in a self-contained classroom or other special education setting during the regular school year and extended school year services.

A video camera placed under this section is not required to be in operation for the time during which students are not present in the classroom or other special education setting.

Education Code 29.022(s)-(t)

Exclusions

A district is not required to provide video equipment to a campus of another district or charter school or to a nonpublic school. *19 TAC 103.1301(c)*

Dispute Resolution

The special education dispute resolution procedures in 34 Code of Federal Regulations 300.151-.153 and 300.504-.515 do not apply to complaints alleging that a district has failed to comply with Education Code 29.022 and 19 Administrative Code 103.1301. Complaints alleging violations of those sections must be addressed through the district's local grievance procedures or other dispute resolution channels. *19 TAC 103.1301(e)*

Denial of Request

The following standards and procedures apply to a denial of a request for placement of a video camera under Education Code 29.022(a), or to the denial of a request to release a video or to view a video made under Education Code 29.022(i) or (l)(2).

*Exhaustion of
Administrative
Remedies*

Once a request for placement of a video camera or a request to release a video is administratively denied, the requester must exhaust administrative remedies through the district's grievance process even if the requester opts for the expedited review process. However, a district, parent, staff member, or administrator may request an expedited review even before the local remedies are exhausted.

After local remedies are exhausted by filing a grievance with the board and obtaining a board determination, the requester may appeal the denial to the commissioner of education under Education Code 7.057 by filing a petition for review.

<i>Proper Request</i>	In a case where there is a denial of a request for the placement of a video camera, the commissioner will determine whether the person requesting placement is a person allowed to request placement under Education Code 29.022(a-1) (see Limited Release, above) and whether the requester made a proper request under Education Code 29.022(a-3) (see Processing the Request, above).
<i>Cost</i>	The commissioner will not consider the cost to the district of installing cameras or releasing video.
<i>Release Determination</i>	In a case where there is a denial of a request to release a video, the commissioner will determine whether the requester is a person allowed to receive a video under Education Code 29.022(i) (described at Limited Release, above).
<i>Timelines for Petition for Review</i>	<p>The following timelines are established for filing a petition for review:</p> <ol style="list-style-type: none">1. A petition for review shall be filed with the commissioner within 10 calendar days of the decision of the board denying the request being first communicated to the requester or requester's counsel, whichever occurs first. The petition for review shall be made in accordance with 19 Administrative Code 157.1073(c) (hearings brought under Education Code 7.057) and may include a request for expedited review.2. The district's answer and local record shall comply with 19 Administrative Code 157.1052(b) and (c) and 19 Administrative Code 157.1073(d) and shall be filed with the commissioner within 10 calendar days of the district receiving notification from the commissioner of the appeal.3. The procedures specified in 19 Administrative Code 157.1059; .1061; and .1073(e)-(h), (j), and (k) apply to a case brought to the commissioner under this section.
<i>Expedited Review</i>	<p>A request for expedited review is governed by the following.</p> <ol style="list-style-type: none">1. The expedited review process is designed to allow a requester to promptly receive a preliminary judgment from the commissioner as to a decision to deny a request for the installation of cameras or a decision to deny a request to release a video while at the same time respecting the school grievance process. The expedited review process does not apply to a request to only view a video. Invoking the expedited review

process results in a prompt initial determination. However, the final commissioner's determination is to be based on a substantial evidence review of the district's grievance record. This allows for a full record to be developed at the district level and does not require the requester and the district to make an evidentiary record before TEA in Austin, Texas. Because the requirements of Education Code 7.057 are met when the board's decision is heard by the commissioner, an appeal to district court is allowed under Education Code 7.057(d). Education Code 29.022 does not by itself allow an appeal to district court.

2. A district, parent, staff member, or administrator may request an expedited review. Any request for an expedited review shall include the names, telephone numbers, and addresses of all interested parties to the request. "Interested parties" are all persons who brought the grievance, all persons who have testified or provided written statements as part of the grievance process, and the district. The request for expedited review shall specify whether the district denied a request for the placement of a video camera or the district denied a request to release a video and briefly describe why that decision is either correct or incorrect.
3. A request for expedited review shall be filed with the commissioner no earlier than 14 business days after a request for placement of a video camera or a request to release a video is administratively denied under Education Code 29.022(i) or (l)(2) (see Limited Release and Process, above), and no later than the fifth business day after a board resolves a grievance as to a request for placement of a video camera or a request to release a video. A request for expedited review shall be filed with the commissioner electronically as provided on TEA's Division of Hearings and Appeals website or by U.S. Mail, facsimile, hand-delivery, or by a commercial delivery service.
4. Whenever an interested party files a document with the commissioner, with the exception of the request for expedited review, the interested party shall send the same document to all other interested parties by the same method that the document was sent to the commissioner. Hand-delivery of the document by the next day may be substituted for service by facsimile delivery.
5. If a request for expedited review is timely filed, the commissioner will establish a briefing schedule and will send to all interested parties a notice that an expedited review has been

filed, which will include relevant statutes and rules. Any interested party who knows of any additional interested parties who have not been notified will promptly inform the commissioner in writing.

6. All briefing shall clearly state the facts relied upon. Documents relevant to the issues presented may be attached to a brief. All briefing shall provide the reasons why the commissioner should or should not grant the request for expedited review. Citations to statutes, rules, commissioner decisions, and case law are important to identify the legal basis for the claims made.
7. All interested parties who are in favor of granting the request for expedited review shall file briefing at the time specified for the requester of the expedited review.
8. All interested parties who are opposed to granting the request for expedited review shall file briefing at the same time.
9. Briefing is not limited to the issues specifically raised in the pleadings in the case. However, no new arguments may be raised in the reply briefs. Reply briefs may contain new citations to the record and legal authority as to issues previously raised.
10. A preliminary judgment shall be issued based on the briefing of the interested parties. The preliminary judgment will be sent to the requestor, the district, and all interested parties. If it is determined that a district is not likely to prevail on the issue of a request for the placement of video cameras or the issue of a request to view a video under full review, the district will fully comply with Education Code 29.022.
11. After a preliminary judgment is made, a final judgment will be made in accordance with the procedures set forth in 19 Administrative Code 103.1303(b)(1)-(5) (the Denial of Request Review process).

19 TAC 103.1303(b)

Extension of Time

A request by a district for an extension of time to begin the operation of a video camera under Education Code 29.022 shall be made and decided using the following procedures.

Request

Any request by a district for an extension of time to begin the operation of a video camera shall be filed with the commissioner prior to the 45th school business day after a request to begin operating a video camera is received. However, a district should request an

extension of time as soon as it determines that an extension of time should be filed.

A request for an extension of time to begin the operation of a video camera shall specify why an extension of time should be granted. The request shall include affidavits supporting any factual claims made in the request and reference any legal authority as to why the request should be granted. The request may include a request for expedited review. The request shall name the individual who requested the installation of cameras and provide the individual's address and telephone number. Immediately following the individual's address and telephone number there shall appear in bold type: "You have been identified as the individual who requested the operation of a video camera that is the subject of this request to the commissioner of education to extend the statutory timeline. You may, but are not required to, participate in the proceedings before the commissioner concerning the school district's request for an extension of time. It is entirely up to you whether and to what extent you wish to participate in these proceedings. The procedures governing these proceedings are found at 19 Texas Administrative Code 103.1303(c) and Texas Education Code 29.022."

A request for an extension of time to begin the operation of a video camera shall list the names, telephone numbers, and addresses of all interested parties to the request. All interested parties include all parents of students in the classroom or other special education setting for which a video camera has been requested and all staff who provided services in a classroom for which a video camera has been requested.

Filing Documents

All documents in a case shall be filed with the Division of Hearings and Appeals, Texas Education Agency, 1701 N. Congress Ave., Austin, Texas 78701, facsimile number (512) 475-3662. Documents shall be filed electronically as provided on the division's website or by mail, delivery, or facsimile. All documents must be actually received by the Division of Hearings and Appeals by the date specified in this section. The mailbox rule does not apply to filings in a case filed under this subsection. Electronic filing is strongly encouraged.

All filings in a case shall be sent to the district, the individual who initially requested the installation of the cameras, and all interested parties who have filed a request to receive documents filed in the case by the same method as the request is filed with the commissioner. Due to the requirements of FERPA, the names, telephone numbers, and addresses of parents and other publicly identifiable student information may not be given to the interested parties. The

copies of the filings sent to interested parties shall be redacted to remove all personally identifiable student information.

Filing Responses Any response to a request for an extension of time to begin the operation of a video camera shall be filed with the commissioner by an interested party within 10 calendar days of the filing of the request. If no response to the request is timely filed, the commissioner shall issue a final decision within 20 calendar days of the filing of the request.

A response to a request for an extension of time to begin the operation of a video camera shall specify why an extension of time should or should not be granted. The response shall include affidavits concerning any factual claims made in the request and reference any legal authority as to why the request should or should not be granted. The response may include a request for expedited review.

Expedited Review A request for expedited review must be filed with the commissioner within 10 calendar days of the filing of the request for an extension of time to begin the operation of a video camera. If a request for expedited review is made, all interested parties shall be notified that they have been identified as interested parties in the request for an extension of time to begin the operation of a video camera. In particular, the interested parties will be informed that it is their choice whether to participate in the proceedings before the commissioner, that it is entirely up to them to determine to what extent they wish to participate in the proceedings, that the procedures governing these proceedings are found in 19 Administrative Code 103.1303 and Education Code 29.022, and that upon their written request filed with the commissioner they will be sent all filings in this case.

If a request for an expedited review is not made, the commissioner shall issue a final decision within 45 calendar days of the filing of the request for an extension of time to begin the operation of a video camera, unless the commissioner determines that an evidentiary hearing would be helpful in deciding the issues raised. If the commissioner decides to hold an evidentiary hearing, the commissioner shall establish the timelines and procedures to be used. Whether to conduct the hearing by telephone or other electronic methods will be considered.

If a request for expedited review is made, the following procedures shall be followed:

1. Any reply by the district to any response to the request shall be filed with the commissioner within 25 calendar days of the

filing of the request for an extension of time to begin the operation of a video camera.

2. A preliminary judgment shall be made by the commissioner within 35 calendar days of the filing of the request for an extension of time to begin the operation of a video camera.
3. Any interested party or the district may file objections to the preliminary judgment within 40 calendar days of the filing of the request for an extension of time to begin the operation of a video camera.
4. Any reply to an objection to a preliminary judgment must be filed within 45 calendar days of the filing of a request for an extension of time to begin the operation of a video camera.
5. The commissioner shall issue a final decision within 55 calendar days of the filing of the request for an extension of time to begin the operation of a video camera, unless the commissioner determines that an evidentiary hearing would be helpful in deciding the issues raised. If the commissioner decides to hold an evidentiary hearing, the commissioner shall establish the timelines and procedures to be used. Whether to conduct the hearing by telephone or other electronic methods will be considered.

*Commissioner
Consideration*

In making either a preliminary judgment or a final judgment under this subsection, the commissioner will consider whether granting the requested extension is reasonable considering all factors, including contracting statutes, architectural and structural issues, and the difference in costs to the district if a moderate extension of time is granted.

No Appeal

A commissioner's final decision under this provision is not subject to appeal.

A student receiving special education services is not subject to the IGC requirements in Education Code 28.0258 or 19 Administrative Code 74.1025. If a student leaves a district after an original IGC has been established and before that original IGC awards a high school diploma to the student, any other district that later enrolls the student shall request information from the student's original IGC of record and shall implement the original IGC recommendations to the extent possible.

*Alternate
Members*

In the event that the teacher identified in item 2 above is unavailable, the principal shall designate as an alternate member of the committee a teacher certified in the subject of the EOC assessment on which the student failed to perform satisfactorily and who is most familiar with the student's performance in that subject area.

In the event that the individual identified above in item 3 above is unavailable, the principal shall designate as an alternate member of the committee an experienced teacher certified in the subject of the EOC assessment on which the student failed to perform satisfactorily and who is familiar with the content of and instructional practices for the applicable course.

Before the conclusion of the school year, the student and the student's parent or guardian must confirm and sign a PGP for the student that identifies a course of study that:

2. Facilitates the student's transition from secondary to postsecondary education.

A district may not prevent a student and the student's parent or guardian from confirming a PGP that includes pursuit of a distinguished level of achievement or an endorsement.

A student may amend the student's PGP after the initial confirmation of the plan. If a student amends the student's PGP, the school must send written notice to the student's parents regarding the change.

TEA must make available to a district information that explains the advantages of the distinguished level of achievement described by Education Code 28.025(b-15) and each endorsement described by Education Code 28.025(c-1). A district, in turn, shall publish the information from TEA on the internet website of the district and ensure that the information is available to students in grades nine and above and the parents or legal guardians of those students in the language in which the parents or legal guardians are most proficient.

A district is required to provide this information in the language in which the parents or legal guardians are most proficient only if at least 20 students in a grade level primarily speak that language.

Early Graduation

A parent is entitled to request, with the expectation that the request will not be unreasonably denied, that the parent's child be permitted to graduate from high school earlier than the child would normally graduate, if the child completes each course required for graduation. The decision of a board concerning the request is final and may not be appealed. *Education Code 26.003(a)(3)(C), (b)* [See FMH, FNG]

**State Graduation

However, unless a tuition fee is prescribed and set out in a transfer agreement prior to its execution by the parties, no increase in tuition charge shall be made for the year of that transfer that exceeds the tuition charge, if any, of the preceding school year. <i>Education Code 25.038</i>
Transfer by Servicemember Request	On request of a servicemember who is a parent of or person standing in parental relation to a student, the board or the board's designee shall transfer the student to another district campus or to

**Transfers to
Adjoining States**

Note: The following provision applies to a district located on the border of an adjoining state.

Any student who would be entitled to attend the public school of any district situated on the border of Louisiana, Arkansas, Oklahoma, or New Mexico and who may find it more convenient to attend the public school in a district in one of those contiguous states, may have the state and county per capita apportionment of the available school funds paid to the school district of the contiguous state and may have additional tuition, if necessary, paid by the district of residence on such terms as may be agreed upon by the trustees of the receiving district and the trustees of the residence district. *Education Code 25.040*

**Contracts for
Education Outside
Districts**

Note: The following section applies only to districts that do not offer all grades, kindergarten-grade 12.

A district that does not offer each grade, kindergarten-grade 12, may provide by contract for students residing in the district who are at grade levels not offered by the district to be educated at those grade levels in one or more other districts. In each contract, the districts also shall agree to the transfer of school funds or other payments proportionate to the transfer of attendance.

Tuition

The district in which the students reside shall pay tuition to any district with which it has a contract under this section for each of its students attending school in that district at a grade level for which the district has contracted. The amount of the tuition paid may not exceed the greater of the amount provided for by Education Code 25.038 [see above], or an amount specified by commissioner rule [see below].

A district is not required to pay tuition to any district with which it has not contracted for the attendance by any of its students at a grade level for which it has contracted under this provision with another district.

A contract under this provision may not be for a period exceeding five years.

Education Code 25.039

Definitions

“Home district” means a district of residence of a transferring student.

“Receiving district” means a district to which a student is transferring for the purpose of obtaining an education.

“Tuition” means an amount charged to the home district by the receiving district to educate the transfer student.

*Tuition Allotment
of the Home
District*

For the purposes of calculating the tuition allotment of the home district as authorized by Education Code 48.154, the amount of tuition that may be attributed to a home district for a transfer student in payment for that student’s education may not exceed an amount per enrollee calculated for each receiving district. The calculated limit applies only to tuition paid to a receiving district for the education of a student at a grade level not offered in the home district. Tuition may be set at a rate higher than the calculated limit if both districts enter a written agreement, but the calculated tuition limit will be used in the calculation of the tuition allotment for the home district. The calculation will use the most currently available data in an ongoing school year to determine the limit that applies to the subsequent school year. For purposes of this provision, the number of students enrolled in a district will be appropriately adjusted to account for students ineligible for the Foundation School Program funding and those eligible for half-day attendance.

*Calculated
Tuition Limit*

The calculated tuition limit is the sum of the excess maintenance and operations (M&O) revenue per enrollee and the excess debt revenue per enrollee, as calculated in 19 Administrative Code 61.1012(b)(2)-(3).

*Notification and
Appeal Process*

In the spring of each school year, the commissioner will provide each district with its calculated tuition limit and a worksheet with a description of the derivation process. A district may appeal to the commissioner if it can provide evidence that the use of projected student counts from the LPE in making the calculation is so inaccurate as to result in an inappropriately low authorized tuition charge and undue financial hardship. A district that used significant nontax sources to make any of its debt service payments during the base year for the computation may appeal to the commissioner to use projections of its tax collections for the year for which the tuition limit will apply. The commissioner's decision regarding an appeal is final.

Threat Assessment
and Safe and
Supportive Schools
Team

The board shall establish a threat assessment and safe and supportive school team to serve at each campus of the district and shall adopt policies and procedures for the teams.

The team is responsible for developing and implementing the safe and supportive school program in compliance with Texas Education Agency (TEA) rules at the district campus served by the team.

The policies and procedures adopted under Education Code 37.115 must:

1. Be consistent with the model policies and procedures developed by the Texas School Safety Center (TxSSC) [see Education Code 37.220];
2. Require each team to complete training provided by the TxSSC or a regional education service center (ESC) regarding evidence-based threat assessment programs;
3. Require each team established under this section to report the required information regarding the team’s activities to TEA [see Reporting to TEA, below];
4. Require each district campus to establish a clear procedure for a student to report concerning behavior exhibited by another student for assessment by the team or other appropriate school employee; and

5. Provide for:
 - a. A district employee who reports a potential threat to a team to elect for the employee's identity to be confidential and not subject to disclosure Government Code Chapter 552 (Public Information Act), except as necessary for the team, the district, or law enforcement to investigate the potential threat; and
 - b. The district to maintain a record of the identity of a district employee who elects for the employee's identity to be confidential.

Membership The superintendent shall ensure, to the greatest extent practicable, that the members appointed to each team have expertise in counseling, behavior management, mental health and substance use, classroom instruction, special education, school administration, school safety and security, emergency management, and law enforcement. A team may serve more than one campus of a district, provided that each district campus is assigned a team.

Oversight Committee The superintendent may establish a committee, or assign to an existing committee established by the district, the duty to oversee the operations of teams established for the district. A committee with oversight responsibility must include members with expertise in human resources, education, special education, counseling, behavior management, school administration, mental health and substance use, school safety and security, emergency management, and law enforcement.

Team Duties Each team shall:

The consent must be submitted on a form developed by the district that complies with all applicable state and federal law. The student's parent or person standing in parental relation to the student may give consent for a student to receive ongoing services or may limit consent to one or more services provided on a single occasion.

Education Code 37.115(c)-(g)

Determination of
Risk

On determination that a student or other individual poses a serious risk of violence to self or others, a team shall immediately report the team's determination to the superintendent. If the individual is a student, the superintendent shall immediately attempt to inform the parent or person standing in parental relation to the student. These requirements do not prevent an employee of the school from acting immediately to prevent an imminent threat or respond to an emergency.

A team identifying a student at risk of suicide shall act in accordance with the district's suicide prevention program. If the student at risk of suicide also makes a threat of violence to others, the team

shall conduct a threat assessment in addition to actions taken in accordance with the district's suicide prevention program.

A student may be removed from class and placed in a DAEP based on conduct occurring off campus and while the student is not in attendance at a school-sponsored or school-related activity if:

- 1. The superintendent or designee has a reasonable belief [see Reasonable Belief, above] that the student has engaged in conduct defined as a felony offense other than aggravated

1. Engages in bullying that encourages a student to commit or attempt to commit suicide;
2. Incites violence against a student through group bullying; or

STUDENT DISCIPLINE
PLACEMENT IN A DISCIPLINARY ALTERNATIVE EDUCATION SETTING

FOC
(LEGAL)

Placement of Younger Students	A student who is younger than 10 shall be removed from class and placed in a DAEP if the student engages in conduct for which expulsion would be required by Section 37.007. <i>Education Code 37.006(f), .007(e)</i> [See FOD]
Students Younger Than Six	Notwithstanding any other provision of the Education Code, a student who is younger than six years of age may not be removed from class and placed in a DAEP, except that a student younger than six years of age who has been expelled pursuant to the Gun Free Schools Act [see FOD] shall be provided educational services in a DAEP. <i>Education Code 37.006(l), .007(e)(2)</i>
Process for Removal Conference	Not later than the third class day after a student is removed by a teacher or by the school principal or other appropriate administrator, the campus behavior coordinator (CBC) or other appropriate administrator shall schedule a conference among the CBC or other appropriate administrator, the student's parent or guardian, the teacher removing the student from class, if any, and the student. At the conference, the student is entitled to written or oral notice of the reasons for the removal, an explanation of the basis for the removal, and an opportunity to respond to the reasons for the removal. The student may not be returned to the regular class pending the conference.
Mitigating Factors	Before ordering removal, the CBC must consider whether the student acted in self-defense, the intent or lack of intent at the time the student engaged in the conduct, the student's disciplinary history, and whether the student has a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct, regardless of whether the decision of the behavior coordinator concerns a mandatory or discretionary action.
Order	Following the conference, and whether or not each requested person is in attendance after valid attempts to require the person's attendance, the CBC, after considering any mitigating factors under Education Code 37.001(a)(4) [see FO], shall order the placement of the student for a period consistent with the Student Code of Conduct.
Appeal	If district policy allows a student to appeal to the board or the board's designee a decision of the CBC or other appropriate administrator, the decision of the board or the board's designee is final and may not be appealed. <i>Education Code 37.009(a)</i> [See Student Code of Conduct]
Right to Request a Special Education Evaluation	On the placement of a student in a DAEP, the district shall provide information to the student's parent or person standing in parental

relation to the student regarding the process for requesting a full individual and initial evaluation of the student under Education Code 29.004 [see EHBA]. *Education Code 37.006(p)*

Term of Removal

The period of the placement after removal may not exceed one year unless, after a review, a district determines that the student is a threat to the safety of other students or to district employees. *Education Code 37.009(a)*

A board or designee shall set a term for a student's placement in a DAEP. If the period of placement is inconsistent with the guidelines in the Student Code of Conduct, the order must give notice of the inconsistency. The period of placement in a DAEP may not exceed one year unless, after a review, a district determines that the student is a threat to the safety of other students or to district employees or extended placement is in the best interest of the student. *Education Code 37.009(d)*

**Beyond Grading
Period or 60 Days**

If placement in a DAEP is to extend beyond 60 days or the end of the next grading period, whichever is earlier, the student's parent or guardian is entitled to notice of and an opportunity to participate in a proceeding before a board or designee.

No Appeal

Any decision of a board or designee concerning placement beyond 60 days or the end of the next grading period is final and cannot be appealed.

Education Code 37.009(b)

**Beyond End of
School Year**

Before a student may be placed in a DAEP for a period that extends beyond the end of the school year, a board or designee must determine that:

1. The student's presence in the regular classroom program or at the student's regular campus presents a danger of physical harm to the student or another individual; or
2. The student has engaged in serious or persistent misbehavior that violates the Student Code of Conduct.

Education Code 37.009(c)

Order of Removal

A board or designee shall deliver to the student and the student's parent or guardian a copy of the order placing the student in a DAEP. *Education Code 37.009(g)*

Not later than the second business day after the date of the removal conference, a board or designee shall deliver a copy of the order placing the student in a DAEP and any information required under Family Code 52.04 to the authorized officer of the juvenile

court in the county in which the juvenile resides. *Education Code 37.010(a)*

Activities

The terms of a placement under Education Code 37.006 must prohibit the student from attending or participating in school-sponsored or school-related activities. *Education Code 37.006(g)*

In addition to any notice required under Code of Criminal Procedure 15.27 [see GRAA], a principal or designee shall inform each educator who has responsibility for, or is under the direction and supervision of an educator who has responsibility for, the instruction of a student who has engaged in conduct for which DAEP placement must or may be ordered.

Each educator shall keep the information confidential from any person not entitled to the information, except that the educator may share the information with the student's parent or guardian as provided by state or federal law. An educator's certificate may be suspended or revoked for intentional failure to keep such information confidential.

Education Code 37.006(o)

DAEP at Capacity

If a DAEP is at capacity at the time a CBC is deciding placement for a student who engaged in conduct described under Education Code 37.006(a)(2)(C-1) (possession or use of marijuana), (C-2) (possession, use, delivery of an e-cigarette), (D) (delivery of alcohol), or (E) (abuse of volatile chemical), the student shall be placed in in-school suspension; and if a position becomes available in the program before the expiration of the period of the placement, transferred to the program for the remainder of the period.

Placement of
Student Who
Engaged in Violent
Conduct

If a DAEP is at capacity at the time a CBC is deciding placement for a student who engaged in conduct described under Education Code 37.007 that constitutes violent conduct, ~~as defined by commissioner rule~~, [see below at Determination of Violent Conduct], a student who has been placed in the program for conduct described under Education Code 37.006(a)(2)(C-1), (C-2), (D), or (E) (above) may be removed from the program and placed in in-school suspension to make a position in the program available for the student who engaged in violent conduct. If removed from the program and a position in the program becomes available before the expiration of the period of the placement, the student shall be returned to the program for the remainder of the period.

Revised for clarity.

Determination of
Violent Conduct

Violent conduct means an act by a student against another person that is intended to result in physical harm, bodily injury, or assault

or a threat that reasonably places the other person in fear of imminent physical harm, bodily injury, or assault. A CBC may determine whether a specific instance of conduct listed below rises to the level of violent conduct for purposes of determining placement in a DAEP.

2. While on or within 300 feet of school property, or while attending a school-sponsored or school-related activity on or off school property, the student engages in conduct that contains the elements of the offense of assault under Penal Code 22.01(a)(1), including when committed as an act of retaliation against an employee or volunteer, as described in Education Code 37.007(d).

19 TAC 103.1205

Completion of Proceedings Upon Withdrawal

If a student withdraws from a district before an order for placement in a DAEP is entered, the principal or board, as appropriate, may complete the proceedings and enter an order. If the student re-enrolls in the district the same or subsequent school year, the district may enforce the order at that time except for any period of the

placement that has been served by the student in another district that honored the order. If the principal or board fails to enter an order after the student withdraws, the next district in which the student enrolls may complete the proceedings and enter an order. *Education Code 37.009(i)*

**Enrollment in
Another District**

If a student placed in a DAEP enrolls in another district before the expiration of the placement, a board shall provide to the district in which the student enrolls a copy of the placement order at the same time it provides other records. The district in which the student enrolls shall inform each educator who will have responsibility for, or will be under the direction and supervision of an educator who will have responsibility for, the instruction of the student of the contents of the placement order. Each educator shall keep the information confidential from any person not entitled to the information, except that the educator may share the information with the student's parent or guardian as provided by state or federal law.

The district in which the student enrolls may continue the placement or allow the student to attend regular classes without completing the period of placement. [See FO] The district in which the student enrolls may take any of these actions if:

1. The student was placed in a DAEP by an open-enrollment charter school and the charter school provides the district a copy of the placement order; or
2. The student was placed in a DAEP by a district in another state and:
 - a. The out-of-state district provides a copy of the placement order; and
 - b. The grounds for placement are the same as grounds for placement in the enrolling district.

Education Code 37.008(j)

**Out-of-State
Placement**

If a student was placed in a DAEP in another state for more than one year and the enrolling district continues the placement under Education Code 37.008(j), the enrolling district shall reduce the period of placement so that the aggregate period does not exceed one year unless the enrolling district determines that:

1. The student is a threat to the safety of other students or to district employees; or
2. Extended placement is in the best interest of the student.

Education Code 37.008(j-1)

**Court-Ordered
Placement**

Unless a board and the juvenile board for the county in which a district's central administrative office is located have entered into a memorandum of understanding concerning the juvenile probation department's role in supervising and providing other support services for students in DAEP programs:

1. A court may not order a student expelled under Section 37.007 to attend a school district DAEP as a condition of probation;
2. A court may not order a student to attend a DAEP without a district's consent, until the student has successfully completed any sentencing requirements, if the court has ordered the student to attend a DAEP as a condition of probation once during a school year and the student is referred to juvenile court again during that school year.

Education Code 37.010(c)-(d)

School Activities

Any court placement in a DAEP must prohibit the student from attending or participating in school-sponsored or school-related activities. *Education Code 37.010(e)*

**Placement After
Court Disposition**

After the student has successfully completed any court disposition requirements, including conditions of deferred prosecution or conditions required by the prosecutor or probation department, a district may not refuse to admit the student if the student meets the requirements for admission into the public schools. A district may place the student in the DAEP.

Notwithstanding Education Code 37.002(d) [see FOA], the student may not be returned to the classroom of the teacher under whose supervision the offense occurred without that teacher's consent. The teacher may not be coerced to consent.

Education Code 37.010(f)

**Not Guilty/
Insufficient
Evidence/Charges
Dropped**

The office of the prosecuting attorney or the office or official designated by the juvenile board shall, within two working days, notify the school district that removed a student to a DAEP under Education Code 37.006 if:

1. Prosecution of a student was refused for lack of prosecutorial merit or insufficient evidence, and no formal proceedings, deferred adjudication, or deferred prosecution will be initiated; or
2. A court or jury found the student not guilty or made a finding the child did not engage in delinquent conduct or conduct indicating a need for supervision and the case was dismissed with prejudice.

On receipt of the notice, the superintendent or designee shall review the student's placement in the DAEP. The student may not be returned to the regular classroom pending the review. The superintendent or designee shall schedule a review of the student's placement with the student's parent or guardian not later than the third class day after the superintendent or designee receives notice from the office or official designated by the court.

After reviewing the notice and receiving information from the student's parent or guardian, the superintendent or designee may continue the student's placement in the DAEP if there is reason to believe that the presence of the student in the regular classroom threatens the safety of other students or teachers.

Education Code 37.006(h); Code of Criminal Procedure 15.27(g)

Appeal After
Placement Upheld

The student or the student's parent or guardian may appeal a superintendent's decision to the board. The student may not be returned to the regular classroom pending the appeal. A board shall, at the next scheduled meeting, review the notice provided by the office of the prosecuting attorney or the office or official designated by the juvenile board; receive information from the student, the student's parent or guardian, and the superintendent or designee; and confirm or reverse the superintendent's decision. The board shall make a record of the proceedings.

If a board confirms the decision, the board shall inform the student and the student's parent or guardian of the right to appeal to the commissioner of education. The student may not be returned to the regular classroom pending the appeal to the commissioner.

Education Code 37.006(i)-(j)

**120-Day Review of
Status**

A student placed in a DAEP shall be provided a review of the student's status, including a review of the student's academic status, by a board's designee at intervals not to exceed 120 days. In the case of a high school student, the board's designee, with the student's parent or guardian, shall review the student's progress toward meeting high school graduation requirements and shall establish a specific graduation plan for the student. The district is not required to provide a course in the DAEP, except as required by Education Code 37.008(l). [See FOCA] At the review, the student or the student's parent or guardian must be given the opportunity to present arguments for the student's return to the regular classroom or campus. The student may not be returned to the classroom of the teacher who removed the student without that teacher's consent. The teacher may not be coerced to consent. *Education Code 37.009(e)*

Additional Proceedings	If, during the term of placement, a student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted and the principal or board, as appropriate, may enter an additional order. <i>Education Code 37.009(j)</i>
Reporting	A district may include the number of students removed to a DAEP in its annual performance report. <i>Education Code 39.306(e)(5)</i> [See AIB]
<hr/> Note: See FOF for provisions concerning students with disabilities. <hr/>	

**Students with
Disabilities Under
Section 504**

A district shall conduct an evaluation in accordance with 34 C.F.R. 104.35(b) before taking any action with respect to any significant change in placement of a student with a disability who needs or is believed to need special education and related services. *34 C.F.R. 104.35(a)*

A district may take disciplinary action pertaining to the use or possession of illegal drugs or alcohol against any student with a disability who is currently engaging in the illegal use of drugs or in the use of alcohol to the same extent that the district would take disciplinary action against nondisabled students. The due process procedures afforded under Section 504 do not apply to such disciplinary action. *29 U.S.C. 705(20)(C)(iv)*

Note: The provisions below apply only to students eligible for special education and related services under the Individuals with Disabilities Education Act (IDEA).

**Students Receiving
Special Education
Services**

ARD Committee
Required

Except as set forth below, the placement of a student with a disability who receives special education services may be made only by a duly constituted admission, review, and dismissal (ARD) committee. Any disciplinary action regarding the student shall be determined in accordance with federal law and regulations. *Education Code 37.004(a)-(b)*

The methods adopted in the Student Code of Conduct [see FO] for discipline management and for preventing and intervening in student discipline problems must provide that a student who is enrolled in the special education program may not be disciplined for bullying, harassment, or making hit lists until an ARD committee meeting has been held to review the conduct. *Education Code 37.001(b-1)*

DAEP Placement
Not Solely for
Educational
Purposes

A student with a disability who receives special education services may not be placed in a disciplinary alternative education program (DAEP) solely for educational purposes. A teacher in a DAEP who has a special education assignment must hold an appropriate certificate or permit for that assignment. *Education Code 37.004(c)-(d)*

**Removal for 10 Days
or Less**

School personnel may remove a student with a disability who violates a student code of conduct from his or her current placement to an appropriate interim alternative educational setting, another setting, or suspension, for not more than 10 consecutive school days, to the extent those alternatives are applied to children without disabilities. *20 U.S.C. 1415(k)(1)(B); 34 C.F.R. 300.530(b)(1)*

Services During Removal	A district is required to provide services during the period of removal if the district provides services to a child without disabilities who is similarly removed. <i>34 C.F.R. 300.530(d)</i>
Subsequent Removals of 10 Days or Less	School personnel may remove the student for additional removals of not more than 10 consecutive school days in that same school year for separate incidents of misconduct, as long as those removals do not constitute a change in placement (see below). <i>34 C.F.R. 300.530(b)(1)</i>
Services During Removal	After a student has been removed from his or her current placement for 10 school days in the same school year, during any subsequent removal of 10 consecutive school days or less, school personnel, in consultation with at least one of the student's teachers, shall determine the extent to which services are needed so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the student's individualized education program (IEP). <i>20 U.S.C. 1415(k)(1)(D); 34 C.F.R. 300.530(d)(4)</i>
Notice of Procedural Safeguards	Not later than the date on which the decision to take the disciplinary action is made, a district shall notify the student's parents of the decision and of all procedural safeguards [see EHBAE]. <i>20 U.S.C. 1415(k)(1)(H)</i>
Removals That Are a Change in Placement	<p>Any disciplinary action that would constitute a change in placement may be taken only after the student's ARD committee conducts a manifestation determination review.</p> <p>Any disciplinary action regarding the student shall be determined in accordance with federal law and regulations, including laws or regulations requiring the provision of functional behavioral assessments; positive behavioral interventions, strategies, and supports; behavioral intervention plans; and the manifestation determination review [see Manifestation Determination, below].</p> <p><i>Education Code 37.004(b)</i></p>

- b. Review any previously conducted functional behavioral assessment of the student and any behavior improvement plan or behavioral intervention plan developed for the student based on that assessment; and
- 2. As necessary, develop a behavior improvement plan or behavioral intervention plan for the student if the student does not have a plan or, if the student has a behavior improvement plan or behavioral intervention plan, revise the student's plan.

Education Code 37.004(b-1)

Change in
Placement

For purposes of disciplinary removal of a student with a disability, a change in placement occurs if a student is:

1. Removed from the student's current educational placement for more than 10 consecutive school days; or
2. Subjected to a series of removals that constitute a pattern because:
 - a. The series of removals total more than 10 school days in a school year;
 - b. The student's behavior is substantially similar to the student's behavior in the previous incidents that resulted in the series of removals; and
 - c. Additional factors exist, such as the length of each removal, the total amount of time the student is removed, and the proximity of the removals to one another.

The district determines, on a case-by-case basis, whether a pattern of removals constitutes a change in placement. The district's determination is subject to review through due process and judicial proceedings.

34 C.F.R. 300.536

School personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a student who violates a code of student conduct. 20 U.S.C. 1415(k)(1)(A)

Manifestation
Determination

Within 10 school days of any decision to change the placement of a student because of a violation of a code of student conduct, a district, parents, and relevant members of the ARD committee (as determined by the parent and the district) shall review all relevant information in the student's file, including the student's IEP, any

teacher observations, and any relevant information provided by the parents to determine whether the conduct in question was:

1. Caused by, or had a direct and substantial relationship to, the student's disability; or
2. The direct result of the district's failure to implement the IEP.

If the district, the parent, and relevant members of the ARD committee determine that either of the above is applicable, the conduct shall be determined to be a manifestation of the student's disability.

If the district, the parent, and relevant members of the ARD committee determine the conduct was the direct result of the district's failure to implement the IEP, the district must take immediate steps to remedy those deficiencies.

20 U.S.C. 1415(k)(1)(E); 34 C.F.R. 300.530(e)

Not a Manifestation

If the determination is that the student's behavior was not a manifestation of the student's disability, school personnel may apply the relevant disciplinary procedures to the student in the same manner and for the same duration as for students without disabilities. The ARD committee shall determine the interim alternative educational setting. *20 U.S.C. 1415(k)(1)(C), (k)(2); 34 C.F.R. 300.530(c)*

Expulsion

In a county with a juvenile justice alternative education program (JJAEP) [see FODA], a district must invite the administrator of the JJAEP or the administrator's designee to an ARD committee meeting convened to discuss the discretionary expulsion under Education Code 37.007 of a student with a disability. The district must provide written notice of the meeting at least five school days before the meeting or a shorter timeframe agreed to by the student's parents. A copy of the student's current IEP must be provided to the JJAEP representative with the notice. If the JJAEP representative is unable to attend the ARD committee meeting, the representative must be given the opportunity to participate in the meeting through alternative means, including conference telephone calls. The JJAEP representative may participate in the meeting to the extent that the meeting relates to the student's placement in the JJAEP and implementation of the student's current IEP in the JJAEP. *19 TAC 89.1052*

*Services During
Removal*

The student must:

1. Continue to receive educational services so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals in the student's IEP.

2. Receive, as appropriate, a functional behavioral assessment, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur.

These services may be provided in an interim alternative educational setting.

34 C.F.R. 300.530(d)(1)-(2)

For a student with a disability who was expelled under a discretionary expulsion under Education Code 37.007, an ARD committee meeting must be convened to reconsider placement of the student in the JJAEP if the JJAEP provides written notice to the district of specific concerns that the student's education or behavioral needs cannot be met in JJAEP.

The district must invite the JJAEP administrator or the administrator's designee to the meeting and must provide written notice of the meeting at least five school days before the meeting or a shorter timeframe agreed to by the student's parents. If the JJAEP representative is unable to attend the ARD committee meeting, the representative must be given the opportunity to participate in the meeting through alternative means, including conference telephone calls. The JJAEP may participate in the meeting to the extent that the meeting relates to the student's continued placement in JJAEP.

19 TAC 89.1052

Manifestation

If the district, the parents, and relevant members of the ARD committee determine that the conduct was a manifestation of the student's disability, the ARD committee shall:

1. Conduct a functional behavioral assessment (FBA), unless the district had conducted an FBA before the behavior that resulted in the change in placement occurred, and implement a behavioral intervention plan (BIP) for the student; or
2. If a BIP has already been developed, review the BIP and modify it, as necessary, to address the behavior.

Except as provided at Special Circumstances, below, the ARD committee shall return the student to the placement from which the student was removed, unless the parent and the district agree to a change in placement as part of the modification of the BIP.

20 U.S.C. 1415(k)(1)(F); 34 C.F.R. 300.530(f)

**Special
Circumstances**

School personnel may remove a student to an interim alternative educational setting for not more than 45 school days without regard to whether the behavior is determined to be a manifestation of the student's disability, if the student:

1. Carries or possesses a weapon to or at school, on school premises, or to or at a school function under the jurisdiction of the Texas Education Agency (TEA) or a school district;
2. Knowingly possesses or uses illegal drugs or sells or solicits the sale of a controlled substance while at school, on school premises, or at a school function under the jurisdiction of TEA or a school district; or
3. Has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function under the jurisdiction of TEA or the district.

20 U.S.C. 1415(k)(1)(G); 34 C.F.R. 300.530(g)

The ARD committee shall determine the interim alternative education setting. *20 U.S.C. 1415(k)(2)*

**Services During
Removal**

The student must:

1. Continue to receive educational services so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals in the student's IEP.
2. Receive, as appropriate, a functional behavioral assessment, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur.

These services may be provided in an interim alternative educational setting.

34 C.F.R. 300.530(d)(1)

Appeals

A parent who disagrees with a placement decision or the manifestation determination may request a hearing. A district that believes that maintaining a current placement of a student is substantially likely to result in injury to the student or others may request a hearing. *20 U.S.C. 1415(k)(3)(A); 34 C.F.R. 300.532(a); 19 TAC 89.1151 [See EHBAE]*

**Placement During
Appeals**

When an appeal has been requested by a parent or a district, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of

the student's assignment to the alternative setting, whichever occurs first, unless the parent and district agree otherwise. *20 U.S.C. 1415(k)(4); 34 C.F.R. 300.533*

Reporting Crimes

Federal law does not prohibit a district from reporting a crime committed by a student with a disability to appropriate authorities. If a district reports a crime, the district shall ensure that copies of the special education and disciplinary records of the student are transmitted for consideration by the appropriate authorities to whom the district reported the crime. A district may transmit records only to the extent permitted by the Family Educational Rights and Privacy Act (FERPA). *20 U.S.C. 1415(k)(6); 34 C.F.R. 300.535* [See FL]

Students Not Yet Identified

A student who has not been determined to be eligible for special education and related services and who has engaged in behavior that violated a code of student conduct may assert any of the protections provided for in the IDEA if a district had knowledge that the student had a disability before the behavior that precipitated that disciplinary action occurred. *20 U.S.C. 1415(k)(5)(A); 34 C.F.R. 300.534(a)*

District Knowledge

A district shall be deemed to have knowledge that a student has a disability if, before the behavior that precipitated the disciplinary action occurred:

1. The parent of the student expressed concern in writing to supervisory or administrative personnel of the district, or to the teacher of the student, that the student was in need of special education and related services;
2. The parent requested an evaluation of the student for special education and related services; or
3. The student's teacher, or other district personnel, expressed specific concerns about a pattern of behavior demonstrated by the student directly to the special education director or to other supervisory personnel of the district.

20 U.S.C. 1415(k)(5)(B); 34 C.F.R. 300.534(b)

Exception

A district shall not be deemed to have knowledge that the student had a disability if:

1. The parent has not allowed an evaluation of the student;
2. The parent has refused services; or
3. The student has been evaluated and it was determined that the student did not have a disability.

20 U.S.C. 1415(k)(5)(C); 34 C.F.R. 300.534(c)

If a district does not have knowledge (as described above), before taking disciplinary measures, that a student has a disability, the student may be subjected to the same disciplinary measures applied to students without disabilities who engaged in comparable behaviors.

However, if a request is made for an evaluation during the time period in which the student is subjected to disciplinary measures, the evaluation shall be conducted in an expedited manner. Until the evaluation is completed, the student shall remain in the educational placement determined by school authorities, which can include suspension or expulsion without educational services.

20 U.S.C. 1415(k)(5)(D); 34 C.F.R. 300.534(d)

**Behavior
Management
Techniques**

It is the policy of the state to treat all students with dignity and respect, including students with disabilities who receive special education services. Any behavior management technique and/or discipline management practice must be implemented in such a way as to protect the health and safety of the student and others. No discipline management practice may be calculated to inflict injury, cause harm, demean, or deprive the student of basic human necessities. *Education Code 37.0021(a); 19 TAC 89.1053(j)*

[For restrictions on aversive techniques, see FO.]

**Rules on Restraint
and Seclusion**

The commissioner by rule shall adopt procedures for the use of restraint and time-out by a district employee or volunteer or an independent contractor of a district in the case of a student with a disability receiving special education services. The procedures must be consistent with Education Code 37.0021(d). *Education Code 37.0021(d)*

**School Peace
Officers**

This provision and any rules or procedures adopted under this provision apply to a peace officer only if the peace officer:

1. Is employed or commissioned by a district; or
2. Provides, as a school resource officer, a regular police presence on a district campus under a memorandum of understanding between the district and a local law enforcement agency.

Education Code 37.0021(h); 19 TAC 89.1053(~~l~~[m](#))

Exceptions

Education Code 37.0021 (use of confinement, seclusion, restraint, and time-out) does not apply to:

1. A peace officer, while performing law enforcement duties, except as provided above [see School Peace Officers] and by

Education Code 37.0021(i) [see Restraint, Documentation, below];

2. Juvenile probation, detention, or corrections personnel; or
3. An educational services provider with whom a student is placed by a judicial authority, unless the services are provided in an educational program of a school district.

Law Enforcement Duties

“Law enforcement duties” means activities of a peace officer relating to the investigation and enforcement of state criminal laws and other duties authorized by the Code of Criminal Procedure.

Education Code 37.0021(b)(4), (g); 19 TAC 89.1053(~~h~~, ~~(m)~~, (n)

Further, Education Code 37.0021 does not prevent a student’s locked, unattended confinement in an emergency situation while awaiting the arrival of law enforcement personnel if:

1. The student possesses a weapon; and
2. The confinement is necessary to prevent the student from causing bodily harm to the student or another person.

For these purposes, “weapon” includes any weapon described under Education Code 37.007(a)(1). [See FNCG]

Education Code 37.0021(f)

Peace Officer or Security Personnel Use of Restraint or Taser

A peace officer performing law enforcement duties or school security personnel performing security-related duties on school property or at a school-sponsored or school-related activity must not restrain or use a chemical irritant spray or Taser on a student enrolled in fifth grade or below, unless the student poses a serious risk of harm to the student or another person [see FO defining Taser]. 19 TAC 89.1053(l)

19 TAC 89.1053

Confinement

A student with a disability who receives special education services may not be confined in a locked box, locked closet, or other specially designed locked space as either a discipline management practice or a behavior management technique. *Education Code 37.0021(a)*

Seclusion

A district employee or volunteer or an independent contractor of a district may not place a student in seclusion. *Education Code 37.0021(c)*

“Seclusion” means a behavior management technique in which a student is confined in a locked box, locked closet, or locked room that:

1. Is designed solely to seclude a person; and
2. Contains less than 50 square feet of space.

Education Code 37.0021(b)(2)

Restraint

“Restraint” means the use of physical force or a mechanical device to significantly restrict the free movement of all or a portion of a student’s body. *19 TAC 89.1053(b)(2)*

The following provisions do not apply to the use of physical force or a mechanical device that does not significantly restrict the free movement of all or a portion of the student’s body. Restraint that involves significant restriction as referenced above does not include:

1. Physical contact or appropriately prescribed adaptive equipment to promote normative body positioning and/or physical functioning;
2. Limited physical contact with a student to promote safety (e.g., holding a student’s hand), prevent a potentially harmful action (e.g., running into the street), teach a skill, redirect attention, provide guidance to a location, or provide comfort;
3. Limited physical contact or appropriately prescribed adaptive equipment to prevent a student from engaging in ongoing, repetitive self-injurious behaviors, with the expectation that instruction will be reflected in the IEP as required by 34 C.F.R. 300.324(a)(2)(i) to promote student learning and reduce and/or prevent the need for ongoing intervention; or
4. Seat belts and other safety equipment used to secure students during transportation.

19 TAC 89.1053(f)

*Limitations on
Use of Restraint*

A school employee, volunteer, or independent contractor may use restraint only in an emergency and with the following limitations:

1. Restraint shall be limited to the use of such reasonable force as is necessary to address the emergency.
2. Restraint shall be discontinued at the point at which the emergency no longer exists.
3. Restraint shall be implemented in such a way as to protect the health and safety of the student and others.

4. Restraint shall not deprive the student of basic human necessities.

19 TAC 89.1053(c)

Emergency

“Emergency” means a situation in which a student’s behavior poses a threat of:

1. Imminent, serious physical harm to the student or others; or
2. Imminent, serious property destruction.

19 TAC 89.1053(b)(1)

Training

Training for school employees, volunteers, or independent contractors regarding the use of restraint shall be provided according to the requirements set forth at 19 Administrative Code 89.1053(d).

Documentation

In a case in which restraint is used, school employees, volunteers, or independent contractors shall implement the documentation and notification requirements set forth at 19 Administrative Code 89.1053(e).

A district shall report electronically to TEA, in accordance with standards provided by commissioner rule, information relating to the use of restraint by a peace officer performing law enforcement duties on school property or during a school-sponsored or school-related activity. The report must be consistent with the requirements adopted by commissioner rule for reporting the use of restraint involving students with disabilities.

Education Code 37.0021(i)

Time-Out

“Time-out” means a behavior management technique in which, to provide a student with an opportunity to regain self-control, the student is separated from other students for a limited period in a setting:

1. That is not locked; and
2. From which the exit is not physically blocked by furniture, a closed door held shut from the outside, or another inanimate object.

19 TAC 89.1053(b)(3)

*Limitations on
Use of Time-Out*

A school employee, volunteer, or independent contractor may use time-out with the following limitations:

1. Physical force or threat of physical force shall not be used to place a student in time-out.

2. Time-out may only be used in conjunction with an array of positive behavior intervention strategies and techniques and must be included in the student's IEP and/or behavior improvement plan or behavioral intervention plan if it is utilized on a recurrent basis to increase or decrease targeted behavior.
3. Use of time-out shall not be implemented in a fashion that precludes the ability of the student to be involved in and progress in the general curriculum and advance appropriately toward attaining the annual goals specified in the student's IEP.

19 TAC 89.1053(g)

Training

Training for school employees, volunteers, or independent contractors regarding the use of time-out shall be provided according to the requirements set forth at 19 Administrative Code 89.1053(h).

Documentation

Necessary documentation or data collection regarding the use of time-out, if any, must be addressed in the IEP and/or behavior improvement plan or behavioral intervention plan. If a student has a behavior improvement plan or behavioral intervention plan, the district must document each use of time-out prompted by a behavior of the student specified in the student's behavior improvement plan or behavioral intervention plan, including a description of the behavior that prompted the time-out. The ARD committee must use any collected data to judge the effectiveness of the intervention and provide a basis for making determinations regarding its continued use.
