

Parkrose School District Secondary Professional Development Plan

“Every child reads and thinks critically, and graduates ready for college and career.”

WHY?	How?	What?
<ul style="list-style-type: none">• <i>If we collectively and consistently provide instruction in student success skills and WICOR strategies to support our students to be college and career ready</i>• <i>Providing the scaffolding upon which students develop life-long habits of mind, such as responsibility, accountability, discipline, collaboration, continuous inquiry, and determination meets our vision of a college ready system for Kindergarten-12th grade</i>• <i>Common and consistent engagement strategies using the integration of WICOR-AVID strategies into all subjects. Each of these skills are paramount to the implementation and assessment of Common Core State Standards</i>	<ul style="list-style-type: none">• <i>Monthly professional learning time (4.5 hours) to support that is focused on teacher needs in our collective area of focus using WICOR and the integration of technology as a learning tool</i>• <i>Development and implementation of Common core based performance tasks to assess student content knowledge and thinking</i>• <i>Professional Learning Team professional development based on data from teacher needs and classroom observations</i> 	<ul style="list-style-type: none">• <i>1:1 i-Pad professional development and student use in the classroom</i>• <i>District PORTAL to support digital professional learning</i>• <i>Ongoing coaching and support on the AVID framework of WICOR</i>• <i>Increasing the number of opportunities for all students to take advanced coursework, including attaining college credit</i>• <i>Providing systemic supports for students to have the tools needed to apply and be accepted to a college or university</i>• <i>Implementation of Common Core State Standards in core subjects</i>
