

# High School Board Report

**December 2012**

- Our Girls Basketball team is UIL ranked #10, and they are 14-1. They won the Big Sandy Tournament and placed 3<sup>rd</sup> in the Hawkins Tournament, losing to the #10 ranked TAPPS big school Ft. Bend Christian Academy 48-38 Friday night.
- Our Boys Basketball team took a 7 game winning streak into the championship game of the Big Sandy Tournament before falling to Rivercrest.
- All home games will feature The Wing Dingers Hot Spot sponsored by Robinson Furniture. One lucky fan and 3 friends will be escorted to court side, where they will enjoy a hot pizza and comfortable sofa seating for the entire game. Fans sign up for free when they enter the gym.
- One fan from each varsity game will be chosen to shoot a free-throw, three-pointer, and half-court. They have 1 minute to make all 3 shots. They can win pizza for making the free-throw; pizza, wings, and a drink for making a three-point shot; and a pizza a week for a month for making the half-court shot
- All schools Band concert Dec. 18<sup>th</sup> at 6:30 in the Middle School cafeteria
- Choir concert Dec. 20<sup>th</sup> at 7:00 in the Middle School cafeteria
- KMOO will cover our HS choir concert Friday, Dec. 21 from 12:00-12:30 presented to our students in the HS multipurpose room. This is the 3<sup>rd</sup> year we have partnered with KMOO for this event
- All region band tryouts were this weekend and we are proud to report:
  - Abby Tunnell – 8<sup>th</sup> chair trombone
  - Victoria Miller – 1<sup>st</sup> chair Oboe Symphonic Band
- Mrs. Williams took her students and their Science cart to the elementary last week. They roll it through the classrooms doing experiments. The elementary kids really love it, according to their teachers
- HS kids were at elementary UIL last week as helpers. There is a great chance for these kids to be mentors to those that come behind them.
- Our TJC Seniors were able to go to the FUMC last week during their college class and help with Caring and Sharing. This is a good way for our students to give back to their community.
- MHS will be doing STAAR 1 Benchmarks as the final exams for bio/alg/geom/chem this fall. We are pushing to move our kids closer and closer to our goals. One essential is to know just exactly where we are and what we have to do to accomplish these goals.
- Proud to honor our FFA State qualifiers at the board meeting:
