Student Highlights:

Our February Exclusion day was a huge success. We only had 3 students that were excluded due to lack of shots or documentation. They are all back at FCS and doing well. Generally, we have between 20-30 students out.

We just finished our Student Safety unit with Juliette's House. Annually staff from Juliette's House come and train our students. Bi- annually they train all K-5, on the off year they just train Kindergarten. They discuss personal safety, stranger danger and are available for individual time for students. This program has been very beneficial to the students at FCS.

FCS partnered with the SHS Leadership students for Read Across America Night. This was held on March 5th. the Leadership students work hard at planning all the activities and running the booths for this activity.

Dental Sealants were provided for student this week.

What's New:

We held our first Ready for Kindergarten activity night. It was a very small turnout. We hope that the next one will be more publicized and have more attendees. This is funded through a grant from the Early Learning Council. The second evening is planned for March 31st.

February 27th was a great inservice day for Sheridan School District. Certified staff were trained on parts of the Collaboration grant. Classified staff were trained for an hour on reading strategies and one hour on math strategies to get students ready for the Smarter balanced assessments. Time was also provided for Certified and Classified staff to meet together to discuss their intervention time and do some collaborating.

FCS had a data Celebration for all the hard work that they have been doing. We had a great lunch and enjoyed time to celebrate their hard work.
