COMPENSATION AND BENEFITS	
EXPENSE REIMBURSEMENT	

	Note:	For guidance regarding employee expense reimburse- ment, including per diem reimbursement, and income tax issues, see the <i>TEA Financial Accountability System Re-</i> <i>source Guide</i> , Section 1.7.4.7 Employee/Board Member Travel and Business Expenses. For provisions related to reimbursement of expenses for transportation, lodging, subsistence, and related items incurred by employees related to a federally funded grant, see CBB(LEGAL) at Travel Costs.		
Travel Services	An employee of a district who is engaged in official business may participate in the comptroller's contract for travel services. <i>Gov't Code 2171.055(f)</i>			
Classroom Supply Reimbursement	funds, TE TEA prov	If funds are specifically appropriated or TEA identifies available funds, TEA shall establish a reimbursement program under which TEA provides funds to districts for the purpose of reimbursing classroom teachers who expend personal funds on classroom sup- plies. A district shall match any funds provided to the district under the reimbursement program with local funds to be used for the same purpose. A district may not use funds received under the reim- bursement program to replace local funds used by the district for the same purpose.		
	reimburs purpose. burseme			
	reimburs the teach	shall allow each classroom teacher in the district who is ed under the reimbursement program to use the funds at her's discretion, except that the funds must be used for the f the district's students.
