**IFB #25-20 SN TRANSIT VAN**

- **Purpose:** To purchase one transit van capable of transporting meals for a satellite feeding site that needs meals delivered from a prep site.
- **Background Info:** The School Nutrition Department supports several satellite feeding sites by transporting meals from prep sites. We anticipate an additional satellite feeding site and thus need an extra vehicle to transport meals.
- **Estimated Cost:** \$54,090.00
- **Funding Source:** Federal Funds 240
- **Recommended Supplier/Service Provider:** Sewell Family of Companies

\*Single Bidder

<b>Expected Delivery Date:</b>	<b>Buy American First Compliance</b>
Aware of Supply Chain Issus and understand the complexity of this question. 2/12/2025	This project requires the purchase of vehicles in which the final assembly occurs in the United States of America. This can be verified by the Vehicle Identification Number (VIN) beginning with a 1, 4, or 5. I certify vehicles ARE assembled in the U.S.
