

PUBLIC NOTICE

for Boundary Changes for the 2025-2026 School Year
Sand Springs and Sunburst elementary schools

Need for Proposed Changes

- **Sunburst Elementary School** is currently experiencing overcrowding, which impacts the ability to provide space for crucial programs.
- **Sand Springs Elementary School** has seen a decline in student numbers, and the proposed boundary changes aim to increase enrollment at this school.

Proposed Solution

Students in the highlighted area on the maps (found online/QR code) will have the boundary changed to switch schools from Sunburst Elementary to attend Sand Springs Elementary beginning the 2025-2026 school year.
