DUPAGE COUNTY CLERK

Jean Kaczmarek
DuPage County Clerk

April 1, 2026

Dear District Official,

Enclosed are copies of the following 2025 tax year reports for your District:

1. Our worksheet depicting the 2025 Tentative Tax Rates and Tax Extensions. The DuPage total assessed valuation shown reflects the removal of all exemptions and the application of a tentative State Multiplier of 1.0000. If your district overlaps into other counties, due to time constraints, the other county values may be estimated.
2. Limiting Rate Formula sheet including 2025 equalized billing value, new construction, recovered TIF, annexed and disconnected values.
3. Rate Re-Allocation Form, if applicable to your district.

In reviewing your worksheet, if the Total Extended Rate for the funds subject to the Tax Cap is lower than the Limiting Rate shown, then your district is not in violation of the "Tax Cap Act" and our calculations end. If the Total Extended Rate is higher than the Limiting Rate shown, then, by law, a reduction was made by applying a Rate Reduction Factor to all the individual fund rates, resulting in a new TOTAL RATE EQUAL TO THE LIMITING RATE and its accompanying tax extension.

If you wish the reduction to be made other than by reducing all funds proportionately, as I did, complete the enclosed Rate Re-Allocation Form, making sure that no individual rate exceeds that shown in the Clerk's rate column and that the total rate does not exceed the limiting rate. **RATES CANNOT EXCEED FOUR DECIMAL PLACES** (i.e. 0.0000).

If you decide not to re-allocate your rates, please write "No Change" on the form. Sign, date, and return the form by April 3 to:

CLERK.REVENUE@DUPAGECOUNTY.GOV

To ensure timely tax bills, all Abatements, Rate Re-Allocations or any discrepancies you may find must be forwarded to this office by Friday, April 3, 2026. **ALL DOCUMENTS MUST BE EMAILED BY THE FRIDAY, APRIL 3 DEADLINE TO: CLERK.REVENUE@DUPAGECOUNTY.GOV**

No additional time can be given to districts that are unable to have a board meeting within this time frame. Someone in the district must make the necessary decisions by the date specified.

Your prompt consideration is necessary to ensure the tax cycle remains on schedule.

Regards,

Jean Kaczmarek
DuPage County Clerk
