

MOU Approval for Communities in Schools

August 8, 2023

SUMMARY:

This item requests approval of the MOU between Denton ISD and Community in Schools for 2023-2024.

PREVIOUS BOARD ACTION:

Annual renewal of the MOU. An MOU has been approved annually for many years.

BACKGROUND INFORMATION:

Communities in Schools of North Texas have facilitated after school care that includes academic tutorials, enrichment, engaging activities and snacks for identified at risk students across Denton ISD. The Board of Trustees have entered a Memorandum of Understanding with Communities in Schools for over fifteen years. This is a renewal for the upcoming school year.

SIGNIFICANT ISSUES:

N/A

FISCAL IMPLICATIONS:

All requirements are found in the MOU.

BENEFIT OF ACTION:

Students in many of our most needy communities receive afterschool supervision at our campus. The principals work closely with each CIS leader to ensure that all campus regulations and policies are followed. Additionally, many students receive instructional assistance and tutoring during the afterschool program.

PROCEDURAL AND REPORTING IMPLICATIONS:

CIS works closely with each campus to ensure reporting data is collected and reported.

PUBLIC COMMENT RECEIVED:

- None

ALTERNATIVES:

None

OTHER COMMENTS:

CIS provides a vital service to our students and parents in the schools they serve. The afterschool program gives these students quality time with energetic young, university workers.

SUPERINTENDENT'S RECOMMENDATION:

We recommend approval of the MOU between Denton ISD and Community in Schools.
