

**DU PAGE ELEMENTARY SCHOOL DISTRICT 13**  
**BOARD OF EDUCATION**  
**Bloomington, Illinois**

Regular Meeting    March 27, 2023

**FOR INFORMATION:**

**Subject:     Superintendent's Report**

Staffing Plan Presentation

Attached you will find the Staffing Plan for the upcoming school year. During the meeting, I will walk you through the elements of the plan and how this data is used to help structure the budget for the District.

ABC Award

The Board and Union Committee worked together to help create a new way to recognize staff and community members. I have attached what is A Bloomingdale Champion (ABC), how the selection process will be made and how often individuals will be recognized during the course of the year.

Community Forum

On Monday, April 17 at 7:00 p.m., the final Community Forum will be held at Westfield Middle School in their commons with the focus being on student online safety. Members of the administration and the technology department will be on hand to help audience members understand how to use the monitoring system for student Chromebooks as well as other topics of interest to parents. The flyer for the event is attached.

Board Workshop

On Tuesday, June 13 at 6:00 p.m. in the District Office Conference Room, the Illinois Association of School Boards (IASB) will lead us through the Starting Right learning module. The description of the module is as follows:

*New members want to make an impact but don't yet know how. Veteran board members can guide them by sharing the board's practices and procedures. IASB can help by facilitating a Starting Right workshop. Starting Right, a type of board self-evaluation, begins with a review of the board's role in effective governance and continues with a discussion of the board expectations for communications, board superintendent relationships, board meetings, and much more. In order to become a high-performing team, each board must address the needs of new board members and the development of the "new" governance team.*
