

BOARD of EDUCATION Fort Smith Public Schools

ACTION

TITLE: Special Education

DATE: May 2, 2017

BACKGROUND/CONSIDERATIONS:

The 2017-2018 Tuition Agreement for each Residential Facility housed in the Fort Smith Public School District is attached for review and approval.

The District must submit these forms on an annual basis to verify that our district agrees to provide related services to students identified as needing speech, occupational, and/or physical therapy in accordance with federal and state guidelines.

The District complies with these federal and state rules. Therefore, as requested by the Arkansas Department of Education, these forms need Board authorization including signatures from the Board President and Superintendent.

RECOMMENDATION:

If the committee agrees, the motion would read:

I move to authorize the attached Tuition Agreements for board approval and submission to the Arkansas Department of Education.
