Panel Member	Vote	Reason/Comment
<b>Phil Baldwin</b>	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	I support the motion for a 5 year renewal with a specifically stated 2 year reconsideration due to the academic challenges currently faced by this program.
<b>Ann Clemmer</b>	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	Supported the motion to grant a two-year review at that time. The school administration is aware of their challenges and is addressing those.
<b>Dr. Naccaman Williams</b>	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	Support the motion. There are concerns with academic achievement. There is a plan to address the academic issues. As a result the panel would like to follow up on that plan in two years.
<b>Toyce Newton</b>	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	Consideration given to past successes with review in order to validate improvements
<b>Sonya Wright-McMurray</b>	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	I recommend approve. I encourage the school's leadership to review their current model to ensure adequate time is available for teachers to devote academic instruction and support of their students. I look forward to reviewing their plan to address academic concerns in two years.
