On the 10th we had a family engagement night, where we made Christmas ornaments.

On the 12th we had Christmas Dinner for our parents. We had a wonderful turnout.

On the 17th and 18th the students made christmas cookies to serve after our program. Our older students take a leadership role and help the younger students with their cookies.

The 19th was our Christmas Concert. It turned out great, the song selection and program was led by the students. It is always great to see family and community members working together to support our students. The students did an amazing job on their songs. We also had a visitor- Santa Claus came and handed out candy and took pictures with the kids and community. The PTO had amazing snacks for everyone.

On the 20th we had our classroom party. Keith Heavy Runner from Toys for Tots sent out gifts for our students. The Blackfeet Tribe, JOM and the PTO had treat bags for our students and community.

We are working hard to get ready for our MAST testing in January. Our goal for November was for all students to get logged on and take the assessment. We had 100% take the assessment that includes the 3 transfers students into the classroom. Our goal is to score in Bands 2 and 3 as well as to take the tests over multiple days instead of one setting.
