

Clifton Terrell ES Mascot Options

Mrs. Terrell (widow of Clifton Terrell) asked that we consider some type of Bear. There were 3 choices of Bear mascots based on feedback from gold track administrators:

- Koala
- Giant Panda
- Kodiak (*Alaskan brown bear*)

The team also discussed considering something with flight or aerospace since Mr. Terrell was in the Air Force.

Here are the top 4 choices of Mascot related to flying:

- Aviator
- Thunderbird
- Blue Angels
- Frontiers

The decision was made to combine both concepts to incorporate aviation along with an animal mascot design.
