Canned Food Drive Winter Assembly

Our students gathered over 5 barrels of food during our annual food drive. We held a celebration winter assembly with several silly teacher acts and the office staff dressing up as Mrs. Claus and elves. The students were entertained and excited.

ISAT Interim Assessment Blocks

A few of our teachers have been able to give a post-test ISAT interim block. We saw some growth and still have areas that students continue to have misconceptions on. We will continue helping students clarify those misconceptions as identified by the interim block.

Gear Up Activities

Our students have been looming stocking caps to donate or keep for themselves. the 7th and 8th-grade students are really enjoying this experience. Students also completed a "Ten Things You Love About You" scholarship application. 8th grade was able to send the scholarship to be eligible and 7th grade used it as a practice application. We will be looking forward to seeing if anyone was awarded a scholarship by March 31st. The scholarship is worth \$1500
