

Quannah High School

School Board Report-February 2019

Current Enrollment:

153 Students: 49 Freshmen, 36 Sophomores, 38 Juniors, and 30 Seniors. One senior completed her course work, one student who left in October returned and a two new students joined us. (+2 from last month)

Attendance for the second semester: 93.29%, Freshman-92.65% Sophomores-93.06%, Juniors-92.19%, **Seniors-96.01%**.

We collected 3 cell phones this six-weeks: Current total is \$240 for our “communication” scholarship fund.

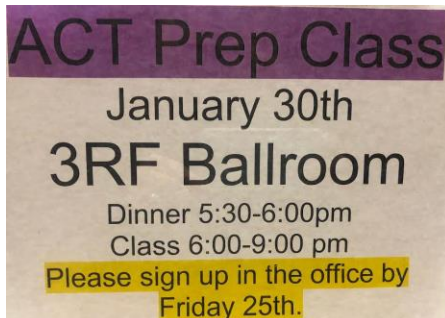

There are currently 3 students in DAEP.

QHS is working to increase our Attendance Rate

We recognized students who had perfect attendance and no tardies for at least one six-week period the fall semester with a “Never Absent Never Late” certificate and a coke float. We had five students who had perfect attendance the first semester. They received “Perfect Attendance” certificates and gift cards. We let students know that at the end of each six-weeks we will invite those with perfect attendance to an attendance celebration.

ACT Testing on February 9th

We have quite a few students signed up to take the ACT on Saturday, February 9th. We want to thank Shane Lance for offering tutorial sessions and 3RF for providing a meal to the students. This is a great example of how the community supports our students!

FFA State Officers presented at QHS

State FFA officers came to QHS to present a program on Time, Passion and Opportunity. Key points were that students need to manage their time wisely, realize and focus on their passions, value the importance of teamwork, and discover new opportunities. Students were involved in several activities that demonstrated these areas.

Human Growth & Development Class experience “Human Growth”

Mrs. Browning’s Human Growth and Development classes experienced labor “delivering babies” and finding out the gender of their egg babies! Students will be responsible for their egg babies in order to simulate the experience and inconvenience of parenthood.

QHS Participates in another Blood Drive

Our power lifting team is off to good start!

These QHS students placed at the UIL Haskell Pow Wow today!

Aadarsha Tamrakar-Social Studies 2nd;
Amy Don Juan Calculator 4th, Spelling 4th; Bellamy Wooten-Current Issues- 5th;
Sebastien Deffendol- 1st Computer Applications;
Carson Henderson- 6th Literary Criticism
