HB 3459 of the 78th Texas Legislature established parameters on the type and extent of allowable monitoring activities by the Texas Education Agency and specified that compliance in several state programs is the responsibility of the local board of trustees rather than the Texas Education Agency.

The program areas specified for local monitoring are:

- Bilingual Education/English as a Second Language
- Career and Technology Education
- Dyslexia
- Gifted and Talented Education
- Pre-Kindergarten Notification
- State Compensatory Education
- Federal Title Programs

An abbreviated report of compliance with each of these programs is provided. Documentation for each requirement is not provided but is available if needed along with explanatory information.
