Yup Math Tutor Training App

BHS Math teachers and BHS student try out the math app that is available to students and staff 24/7. Can be utilized for homework and for classroom use. This app will assist the full math team to reach more students' individual needs.

Ag Science Class

Trina, the Goat has come to BHS to assist the Ag Science classes in corral set up and grass restoration practices.

BNAS Flag Song

Staff and students have continued their practice of singing the flag song daily as well as giving positive words of wisdom. Naming ceremonies will begin soon every Thursday.

Culinary Arts Class

Students have been anxious to get through all safety protocols in order to begin cooking. One student took it upon himself to purchase Ramen Noodles to make for staff and his classmates. Thank you to Snow Momberg for his generosity.
