

IMPACT UPDATE

EUGENE SCHMUCK FOUNDATION & GARIBALDI GRADE SCHOOL

JANUARY 2024

FUNDING:

The Eugene Schmuck Foundation awarded GGS a large donation in Fall 2024. We were able to assess our current needs to determine where the money would have the greatest impact for our students and families. Our biggest needs were around shoes, boys pants, and underwear.

IMPACT:

With the donation, we were able to purchase MANY new pairs of shoes in the sizes most needed, pants, and underwear. The items were put to immediate use the day they arrived, as a student needed a new pair of shoes after the soles of their shoes fell off at school. Your organization has made a huge impact on our school and we are grateful for your support!

THANK YOU!
