2 hr load bank testing

Grand Total **\$34,691.00**
(Plus Tax)

Pricing per NJPA member pricing.

The remote monitoring which we discussed at our meeting is currently being reworked and I will quote when it has been released.

Please Note

1 The equipment contained in this quotation complies with U S EPA emission regulations for "Stationary Emergency" applications.

Terms of Sale

The Above Price does not include State or local taxes. If taxes are applicable, they are in addition to the Grand Total. When Tax Exempt, a Tax Exempt Certificate must accompany the signed quote and/or Purchase Order upon receipt of the order.

Freight is FOB JobSite - Freight Allowed "Unloading by Others"

At this time we estimate Submittals can be provided within one to two weeks after a Purchase Order has been received.

Terms are Net 30 Days from date of invoice with prior credit approval. Start-Up will not be performed until payment has been received, regardless of our invoice date. "Pay when Paid" contract clauses will not be considered by Cummins Bridgeway, LLC. Invoicing will occur on the latter of the requested ship date or when the equipment is available for delivery. Transfer of ownership occurs at the earlier of invoicing or delivery.

Once equipment has been released for manufacture, a cancellation fee will be assessed based on a percentage of the equipment value as determined by the manufacturer. The exact dollar value of the cancellation charge will be determined after our total costs due to the cancellation have been determined. A written notice of cancellation is required.

Prices quoted herein will be honored for a period of thirty days from date of quotation, but are subject to increase thereafter.

Lead times are those in effect at the time of release of your order for manufacture. Contact your sales representative for delivery and manufacturing lead time information on your specific project products.

If you would like to place an Order with Cummins Bridgeway based on the Bill of Material, Quotation Price and Terms of Sale as detailed above, please complete and sign the following and return this Quotation to the attention of your Power Generation Sales contact indicated below. By completing the following information, a confirming Purchase Order will not be required. If you should send us a confirming Purchase Order, and we incur additional costs for review and/or negotiation of the form, then our actual expense for such review may be added to our Quotation Price.
