FIELD DAY VOLUNTEERS NEEDED

Our annual Field Day is coming up. 😊

June 4th - volunteers need to here
from 11:30 to 2:30.

Volunteers are needed to help run
station activities and supporting our kids
during play. If you
have time we would love you to join us,
please contact Ms. Medici
at GGS, 503-322-0311.

To participate in volunteering, going on **field trips**, helping in the classroom, field day, etc. it is district policy to have an approved volunteer application on file. Volunteer applications stay on file for three years. Applications are available in the office.

If you have any GGS library books at home, they will have a barcode on the back top right hand corner, please return them to school as soon as possible. There are no fines but the cost of replacing lost books takes a large chunk out of our book budget. Thanks! Mrs. Tosch

Transportation will be provided to and from preschool to students living in the Nehalem Attendance Zone in the AM and to students living in the Garibaldi Attendance Zone in the PM.

The district is offering a sliding scale and payment plans to help families for whom the cost is a concern. **No child will be turned away for lack of ability to pay.**

To register or seek further information, contact Angie Douma (503-355-3508) or angied@nknsd.org. Students are enrolled on a first come serve basis and space is limited.

What is Double Up Food Bucks?

Each summer Food Roots facilitates Double Up Food Bucks at farmers markets across the county. Double Up Food Bucks (previously known as SNAP Match) is an incentive program that provides low-income households who receive Supplemental Nutrition Assistance Program (SNAP) benefits with a one-to-one match to purchase locally grown fruits and vegetables at farmers markets. Each week a participant is edible for up to a \$10 match to spend on extra in produce. This is a program that support our community in many ways by supporting food insecure families in purchasing more fresh foods, while local farmers gain new customers and increase their profits, and more federal assistance dollars stay in our local economy.

For the past five years, Food Roots has been coordinating this program across our county. In Tillamook County there is a farmers market in Manzanita, Tillamook, Pacific City and Neskowin. All four markets in Tillamook County participate in a SNAP Matching program. Over the course of this program Food Roots has recorded \$36,306.00 of revenue generated at our local farmers markets as a result of SNAP and DUFBS sales. If you wish to support or learn more about this program please visit foodrootsnw.org or stop by our office on 113 Main Street, Tillamook, OR.
