

Safety and Security Audits: Important Dates

Public School Districts: Audit Cycle November 1, 2020 – August 31, 2023

- **April 14, 2023:** DARtool opened for public ISDs to report district audit results and login codes emailed to superintendents.
- **July 24, 2023:** Reminder email with login code sent to superintendents of districts that have not yet accessed the DARtool.
- **August 7, 2023:** Fourth reminder email with login code will be sent to superintendents of districts that have not yet submitted audit results.
- **August 31, 2023:** Deadline to complete audits of district facilities.
- **September 15, 2023:** Deadline to report district audit results through the DARtool.

Graham ISD has completed and filed the report through the DARtool. A copy of the report is attached.
