NOW THEREFORE, in consideration of the mutual covenants, agreements, and benefits to the parties, **IT IS AGREED** as follows:

I. ADMINISTRATION

The Parties agree to hold a "Joint Election" in accordance with Chapter 271 of the Texas Election Code, as amended, and this Agreement. The Taylor County Elections Administrator shall coordinate, supervise, and handle all aspects of administering the Joint Election as provided in this Agreement. Political Subdivision agrees to pay the Taylor County Elections Administrator for the District's proportionate share of equipment, supplies, services, and administrative costs as provided in this Agreement. The Taylor County Elections Administrator shall serve as the administrator for the Joint Election; however, the Political Subdivision shall remain responsible for the lawful conduct of the Election. The Elections Administrator shall provide advisory services in connection with decisions to be made and actions to be taken by the officers of the Political Subdivision in regard to the Election.

It is understood that other political subdivisions may wish to participate in the use of the County's electronic voting system and polling places, and it is agreed that Taylor County and the Elections Administrator may enter into other joint election agreements and contracts for election services for those purposes on terms and conditions generally similar to those set forth in this Agreement. Political Subdivision agrees that Taylor County may enter into joint election agreements with other political subdivisions that may have territory located partially or wholly within the boundaries of Political Subdivision, and in such case all parties sharing common territory shall share a joint ballot on the County's electronic voting system at the applicable polling locations.

At each polling location, joint participants shall share voting equipment and supplies to the extent possible. The participating parties shall share a mutual ballot in those precincts where jurisdictions overlap. However, in no instance shall a voter be permitted to receive a ballot containing an office or proposition stating a measure on which

the voter is ineligible to vote. Multiple ballot styles shall be available in those shared polling places where jurisdictions do not overlap.

II. LEGAL DOCUMENTS

Political Subdivision shall be responsible for the preparation, adoption, and publication of all required Election orders, resolutions, notices, and any other pertinent documents required by the Texas Election Code or applicable Texas law.

Preparation of the necessary materials for notices and the official ballot shall be the responsibility of Political Subdivision, including translation to languages other than English.

The Elections Administrator shall be responsible for the preparation and publication of the Notice of Election for all participating authorities. It is agreed that the expense of preparing and publishing of the Notice of Election shall be shared equally among each participating authority.

III. VOTING LOCATIONS

Taylor County has adopted a countywide polling location program. Voters from political subdivisions participating in this Joint Election may cast a ballot at any polling location open for this Election. The Elections Administrator will coordinate and arrange for Early Voting and Election Day voting locations. The Elections Administrator shall notify each participating political subdivision of the voting locations and any necessary changes to such locations.

If polling places for the May 3, 2025 Joint Election are different from the polling place(s) used by the Political Subdivision in its most recent election, the Elections Administrator agrees to post a notice no later than Wednesday, April 23, 2025 at the entrance to any previous polling locations in the jurisdiction stating that the polling location has changed and stating the polling location names and addresses in effect for the May 3, 2025 election.

The Parties agree and acknowledge that early and Election Day polling locations, as well as dates and times for voting, are subject to change, including, but not limited to, complying with social distancing, health, or safety requirements or restrictions, or any other requirement or restriction, established by a Governor's Executive Order or local emergency declaration or order.

IV. ELECTION JUDGES, CLERKS, AND OTHER PERSONNEL

The County shall be responsible for the appointment of the presiding judge and alternate judge for each polling location in accordance with Chapter 32 of the Texas Election Code, as amended. The Elections Administrator shall recruit polling location officials who are bilingual (fluent in both English and Spanish). The Elections Administrator shall make emergency appointments of Election officials if necessary.

The Elections Administrator shall notify all Election judges of the eligibility requirements of Subchapter C of Chapter 32 of the Texas Election Code, as amended, and will take the necessary steps to ensure that all Election judges appointed for the Joint Election are eligible to serve.

The Elections Administrator shall arrange for the training and compensation of all Election judges and clerks. The Elections Administrator shall arrange for the date, time, and place for presiding Election judges to pick up their Election supplies. Each presiding Election judge will be sent a letter from the Elections Administrator notifying the person of the appointment, the time and location of training and distribution of Election supplies, and the number of Election clerks that the presiding judge may appoint for the Election.

Each Election judge and clerk will receive compensation at an hourly rate established by the County pursuant to Texas Election Code Section 32.091, as amended. Judges and Clerks will be compensated for actual time spent working at a polling location and time spent attending any training classes required to successfully conduct the Election.

The Election judge will receive an additional sum of \$25.00 for picking up the Election supplies prior to Election Day and for returning the supplies and equipment to the Central Counting Station after the polls have closed.

The Elections Administrator may employ other personnel necessary for the proper administration of the Election, including such part-time help as is necessary to prepare for the Election, to ensure the timely delivery of supplies during early voting and on Election Day, and for the efficient tabulation of ballots at the central counting station. Part-time personnel working in support of the Early Voting Ballot Board and/or Central Counting Station on Election night will be compensated at the rate set by the County.

V. PREPARATION OF SUPPLIES AND VOTING EQUIPMENT

The Elections Administrator shall arrange for all Election supplies and voting equipment including, but not limited to official ballots, sample ballots, voter registration lists, and all forms, signs, maps and other materials used by the Election judges at the polling locations. At each polling location, joint participants shall share voting equipment and supplies to the extent possible. The participating parties shall share a mutual ballot in those precincts where jurisdictions overlap. However, in no instance shall a voter be permitted to receive a ballot containing an office or proposition stating a measure on which the voter is ineligible to vote. Multiple ballot styles shall be available in those shared polling places where jurisdictions do not overlap.

Political Subdivision shall furnish the Elections Administrator a list of all candidates and/or propositions showing the exact manner in which the candidate names and/or proposition(s) are to appear on the official ballot. Ballot drawing shall be conducted by each political subdivision and the results of such drawing shall be reported to the Elections Administrator. Candidate names will be listed on the official ballot in the order determined by the ballot drawing. Political Subdivision shall be responsible for proofreading and approving the ballot insofar as it pertains to Political Subdivision's candidates and/or propositions.

The participating authorities further agree that the Elections Administrator may appoint other deputy early voting clerks to assist in the conduct of early voting as necessary, and that these additional deputy early voting clerks shall be compensated at an hourly rate set by the County pursuant to Section 83.052 of the Texas Election Code, as amended.

The Elections Administrator will coordinate and arrange for the use of early polling locations. After all candidate filing deadlines and candidate withdrawal deadlines have passed, final early polling locations will be determined. The Elections Administrator shall notify each participating political subdivision of the early polling locations and any necessary changes to such locations. Any qualified voter of the Joint Election may vote early by personal appearance at any one of the joint early polling locations.

As Early Voting Clerk, the Elections Administrator shall receive applications for early voting ballots to be voted by mail in accordance with Chapters 31 and 86 of the Texas Election Code, as amended. Political Subdivision shall reserve the right to reduce the number of early voting locations and/or Election Day voting locations in any runoff election.

X. ELECTION EXPENSES AND ALLOCATION OF COSTS

Any election held by Political Subdivision will be at the expense of the Political Subdivision. In the event of joint elections, it is agreed between all participating authorities to share the costs of administering the Joint Election. Allocation of costs, unless specifically stated otherwise, is mutually agreed to be shared among the total number of political subdivisions so participating.

Any expenses incurred in the rental of polling location facilities shall be pro-rated among the participants to the Joint Election.

It is agreed that the normal rental rate charged for the County's voting equipment used on Election Day shall be pro-rated among the participants to this Joint Election.
