Dear Board Members:

Normally, you would have a food service, finance, cash and investment reports. However, due to circumstances beyond our control, a problem was found after our conversion in April to the new EDP finance system. We will give you these reports under separate cover either by email, hand delivery, or at the board meeting. I have been in contact with EDP and they are working at repairing our files as fast as possible

I apologize for any inconvenience this may have caused you.

Sincerely,

Linda O’Connell
Executive Finance Director
