

Secondary School Board Report

November 2023

1. Youth Skills Training Grant
 - a. I will be submitting applications to both Graphic Packaging and TNT Industries for students to participate in a paid internship.
 - b. Thanks to the Lakes Area Manufacturing Association for their help in providing this opportunity for our students
2. Ranger Career Pathway Presentations
 - a. We will again this year be providing Career Pathway Presentations for our students
 - b. We listened to student feedback and have change it up a bit though. Instead of one speaker per month, we are offering one speaker per career pathway for each month and students will have the opportunity to choose which presentation they would like to go to.
 - c. Speakers are regional business owners and their employees. We host our first one in January.
3. Conferences
 - a. Conferences went well this year! Teachers saw an average of 27 families, up last year from 21.
 - b. THANK YOU to Emma Otterstad and her Culinary Students for catering dinner for the staff on the first night.
4. Artificial Intelligence and Chat GTP
 - a. A group of teachers and I will be attending a training on Artificial Intelligence and Chat GTP on December 6th.
 - b. We hope to learn how to effectively use and monitor the use of AI in our school district.
