McCall Donnelly School District Policy 3500F Student Health Parent Consent to Treat was adopted in October 2024 because of 2024 legislative action. The current form was adopted in October 2024 and implemented as a google form. To streamline and clarified the Consent to Treat process for parent's district staff created a PowerSchool link and form. I am requesting an update to 3500F language for use in the PowerSchool form.

Administration recommends reviewing and revising 3500F.
