Alliance

In accordance with Board Policy CH (Legal), please accept this request for the 2015-2016 school year to allow the Department of Purchasing to participate and have access to the interlocal agreement with the U.S. Communities Government Purchasing Alliance so we can centralize purchasing activities and increase purchasing power. By entering into this interlocal agreement, the list of available resources from where to procure from will not only be expanded, but will also ensure compliance with competitive bidding requirements at reduced costs.

Access to this cooperative is being requested to obtain discounted pricing for the following categories: Facilities, Office & School, Specialty, and Technology among others. There is no fee to participate in this interlocal agreement.

Please contact me at the Purchasing Department should there be any questions or if additional information is required.
