BIRTH TO 3 NEWS

May 2025

Traduce esta carta con el boton arriba.

Celebrating a great year!

We are wrapping up the 2024-2025 school year. We are grateful to know you and your children. We are so proud of your hard work with your child and for all you do to support our Program and your community. Be sure to join us at our end-of-the-year picnic, where we celebrate you!

Family Groups!

It was a pleasure to celebrate all our moms and grandmothers at our Mother's Day Group! Moms and their children enjoyed a craft, a meal, and getting to know other families. We had 150 attendees to celebrate our Mothers. Our families are so creative as they decorated bags together. For the very little ones, they made handprints or footprints on their bag. Moms went home with a flower, their bag, and a cookie. Head over to <https://www.facebook.com/d33birthtothree> Facebook to see more of our events!

Coming up!

Join us at our end of the year celebration! Our picnic is scheduled for 6/3 at 12:30 or 5:30. This year we will be hosting our picnic here at the ELC (300 E. Forest Ave).

We will enjoy our wonderful playground, food and the Bubble Man! We will also be doing our Book Awards and Program Participation awards. Last year, our big winner read over 2000 books with their child! Awards will be given for families who attended the most groups and who completed the most visits. We can't wait to see you!

We have a bus scheduled to pick up families at Timberlakes Apartments and Main Park Apartments. Please register with your home visitor.

Check out the pictures below from last year!

Parent Child Interaction

Supporting your kids from the start!

As we end the school year, we remind you about the "29 Things Parents do that Predict School Readiness". These are simple ideas that you can do with your child. The more parents do these

things with
two new c

n one or

These are free and require no special materials. Take a look at the list below and tell your home visitor which one surprised you. Which one would you like to try out?

Resource of the Month!

WeGoTogether for Kids is the West Chicago community collaboration. They bring together a variety of partners to support children and families in West Chicago. They recently updated their website and have links to all sorts of resources. Be sure to check it out:

<https://www.wegottogetherforkids.com/all-resources>

All Resources

Explore a wealth of resources designed to support children and families during early childhood, birth to age 8. Our comprehensive library empowers caregivers with the tools and knowledge they need to nurture growth and success.
