- Plan of Action for Review of Extra-Curricular Code of Conduct

Based on the discussion at the Board meeting on September 19, 2005, we have given much thought as to our charge to re-visit the extra-curricular code of conduct. This report will discuss the administration's recommendation for process changes related to:

1. Investigative chain of command for misconduct involving students involved in extra-curricular activities.
2. Discretionary consequences
3. Investigative procedures relating to misconduct that occurs outside of school
