Please submit this purchase information to the BOE for the November 14<sup>th</sup>, 2011 meeting.

The first phase of the Five Year Technology Capital Outlay Plan focuses on repairing and enhancing our Geneva 304 network infrastructure. Now that we have completed the implementation of core networking equipment at Geneva High School we will begin the replacement of network switches in the distributed communication rooms. These distributed communication rooms provide direct network connections for all high school classrooms, computer labs and staff offices.

Continuing our infrastructure improvements we submit the following switch purchase for your approval.

<b>Equipment</b>	<b>Amount</b>
HP V1910-48G SWITCH (QTY 34)	\$27,166.00
HP V1910-24G PoE SWITCH (QTY 6)	\$4,794.00
