

Napi Elementary School

October 2025 Board Report

Napi's Vision Statement:

Napi Elementary School, a community of families, students, and staff will work to ensure the very best education for all our children through teaching, guidance, support, and structure.

Napi's Mission Statement:

Napi Elementary School is committed to providing high-quality instruction and support to promote the highest achievement of all students, both academically and behaviorally.

Celebrating Perfect Attendance Already!

Thank you to Mrs. Omeasso-Grant and Mrs. A. HeavyRunner for taking the time to celebrate a group of students who have already accomplished 10 days of perfect attendance for the year! Students were recognized and celebrated with a Popsicle party on September 4th! There were 46---4th grade and 47 5th-grade students!

There were a total of 37 students who had zero absences and tardies for the month of September!

Classroom Activity--Submitted by Mrs. Hoyt

Mrs.Hoyt's class went on a field trip to pick Innisskims. Students built pouches made from buffalo fur to put their stones in when they returned. This activity was supported by Science, Social Studies, and IEFA standards.

Planting

Mrs. Armstrong's class participated in planting trees by the playground. Abigail Klauk lead the effort in involving our students in this work, which was very much appreciated! The students learned a lot about the steps needed to care for a tree once it is planted.

Attendance

Student Attendance: September

4th Grade: 85%

5th Grade: 83%

Home Visits: 8

Staff Attendance: Not available

Certified: %

Classified: %

Instructional Coach--Submitted by Mrs. Wagner

Happy October! Wow, the month of September has flown by! We have had a lot of busy days! In regards to testing, our scheduled dates within the window were September 15-19. We are aiming for 100% completion! With all the new and returning students, we can finally justify our placements in both Walk to Math and Phonics intervention groups. The Interventionist and I, diligently worked together to screen all 4th-grade Tier 2 and Tier 3 students, identifying them for placement in a Phonics intervention class. The Principals, IC, and Interventionists worked together to ensure all fourth and fifth-grade students were properly screened and accounted for regarding placement in a phonics or multisyllabic intervention groups. I currently have four active coaching cycles with staff.

Sports

Napi Golden Eagle Football and Cross Country Athletes completed their seasons for the 25/26 school year. They all did an amazing job remaining dedicated to their sport! A huge thank you to all of the Football and Cross Country coaches!
