

**John Loney RP Activities Director**

### **October Board Report**

**Cross Country**- LA/RP has had a very nice season thus far. The boys team finished 2nd at the conference meet last week and the girls finished 5th. Sections are in Rochester on 10/24/19 @ Northern Hills Golf Course.

**Football**- The 6-2 Trojans got seeded #2 in section 1A and will host Wabasha Kellogg this Tuesday 10/22/19 at 7pm. If we win on Tuesday we will host the winner of #3 seeded Goodhue and #6 seeded Hayfield. The section championship game would be at a neutral site that has turf 11/1/19 at 7pm.

**Volleyball**- The 11-15 Trojan VB team was seeded #9 and will travel to the #8 seed Lanesboro on 10/21/19 at 7pm. The winner of that game would then take on the #1 seeded Mabel-Canton on 10/24/19 at 7pm.

As the fall season is coming to an end, the winter sports seasons' are approaching rapidly. Dance Team starts this week, with girls basketball on 11/11/19 and wrestling and boys basketball on 11/18/19 holding their first practices.

We are exploring a more efficient way to pay our varsity officials that is less cost to the district. In the coming weeks myself, Laura Hahn, Toni Oian, and Mr. Thompon will be looking at ArbiterPay as a possible option of paying our officials.

Just a reminder of the RP Twitter Account: @RPTrojansJLoney if you want to keep track of RP activities for the remainder of the fall and the upcoming Winter season.  
GO TROJANS!

Sincerely,

John Loney, RP Activities Director
