Harvey School District
16001 Lincoln Avenue
Harvey, IL 60172

Dear Kevin,

Thank you for the opportunity to submit this revised proposal for a custom security system for Harvey School District 152. You will find that it meets all of your operating and security issues utilizing an array of leading edge technology.

Your selection of Sonitrol's unique **audio-based intrusion detection** solution will provide Harvey School District 152 with a true verified alarm system resulting in faster police response in the event of an intrusion.

With your approval of this proposal, Sonitrol Chicagoland North will begin the process to install your system according to the timeframes that we discussed. We remain available to you and your staff to answer questions and welcome the opportunity to discuss the proposal in further detail.

Thank you again and I look forward to continue serving Harvey School District 152.

Sincerely,

Clay Crost
