Total High School enrollment 158

FCCLA took 17 kids to Faith Mission Homeless shelter in Wichita

Mrs. Dodson's Digital Interactive Media class is working with Three Rivers and the Museum on a "Then and Now" project. We are going through the old pictures of downtown Quanah and other areas of interest, and retaking and recreating those pictures for a project that will be used by the Museum, Three Rivers, and of course QHS. One of the bull fighters that is competing at the NFR in Vegas is using some of the Photoshop work that Sebastian Deffendol worked on in class for the autograph sessions.

Olivia Tucker and Hunter Ricks made the All-Region band and Olivia will go on to Area-auditions in January. If she wins at area, she will be in the All-State Band

Tubas and baritones will perform in the Tuba Christmas concert in Wichita Falls on the 16th and the rest of the band is going to watch.

Hunter Ricks competed at the Greenbelt district banquet in the talent contest. He received 1st place and will compete at area in April.
